

Stories From The Hart

#1 Multi Generation

Are you a second, third or fourth generation Hart owner? Tell us how Hart has been a part of your family and the impact that your Hart trailer has had on your life.

#2 Favorite Memory

Do you have that one memory that just stands out in your mind with your Hart trailer? What made it so special? Tell us about 'that one time' with your Hart trailer.

#3 Why?

Why DID YOU CHOOSE Hart? Simply put, tell us what made you choose a Hart trailer instead of another trailer on the market. Your 'why' matters to us!

#4 My Favorite Feature!

Do you have that one feature on your Hart trailer you just can't live without? If so, we want to know! Tell us all about your very favorite feature of your Hart trailer.

#5 Thankful For My Hart

Have you ever found yourself in a situation where you just thought "man, I'm so thankful for my Hart trailer"? Over the years we have received so many calls and emails from Hart customers who are so thankful for the integrity and safety of their Hart trailer. Did your Hart protect your beloved cargo during an unfortunate accident? Maybe your Hart stood up well against an unexpected storm? We want to know!

We want to tell a story. YOUR story. We've been manufacturing trailers for fifty years now. We clearly understand that we are only able to do what we do because of YOU and what you do, and how you live, and how you use YOUR Hart Trailer. Today we are inviting you to share your Hart Trailer experience with us. We are looking for four HART STORIES to showcase in the year of 2018. No experience is more important than another. In the end, your experiences allow us to continue to put quality trailers on the road. We know that no two experiences are alike and for that reason we have divided up submissions into five different categories. You may choose any one of the five topics below to write about. We want to make it clear that we are not looking for the best writers. This is not a writing competition. It is just a way for you to share your Hart experience with us.. By submitting your story, you are giving us permission to use your story, your name and any photographs or videos submitted, on our website, social media platforms, and or print. There is not one thing in particular that we are looking for. Simply put, we just want to tell YOUR STORY. The four stories chosen to be featured this year will be notified on the 14th of February. All participants must be willing to work with us by providing photographs, being available for possible video and photoshoots, and allowing us to use such elements to tell their story. Each of the four stories chosen, will receive a very special, limited edition, 50th anniversary Hart Trailer, trophy halter. These are not something you can purchase and there will not be any more of them produced. Each halter carries a value of \$150.

To make submissions: 1) Give Hart Trailer a GOOGLE review. 2) Email Amanda @ awilliams@harttrailer.com using subject line 'STORIES FROM THE HART. Be sure to include your NAME, GOOGLE REVIEW NAME, EMAIL, PHONE #, CATEGORY and a short write up telling us about your experience (based on the category you've chosen to submit under). If you don't do email, you may submit on *Twitter*, *Facebook*, or *Instagram* by messaging us including all of the above listed criteria. We will let you know we have received your submission and will announce the winners on February
