PRICE

**Bottled water
is price - you
have to keep
buying after
consuming**

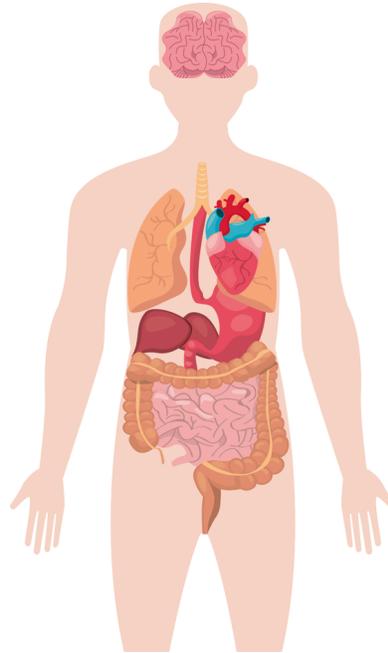

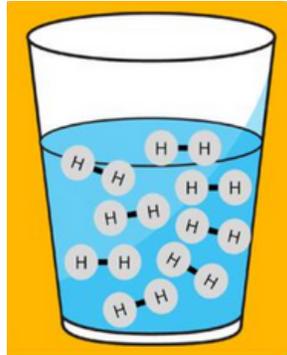

WHAT DOES MOLECULAR HYDROGEN DO?

Therapeutic potential for over 170 disease models including: Parkinson's, cancer, Alzheimer's, and Crohn's disease.

- Increased brain health
- Superior hydration
- Faster detoxification
- Improved sports performance
- Improved memory
- Improved digestion
- Improved healing
- Protection against oxidative stress & free radicals
- Slowed aging
- Reduced cellular stress
- More energy & less fatigue
- Reduced inflammation & pain
- Increased mitochondrial health
- Improved blood sugar regulation

H₂ : HOW MOLECULAR HYDROGEN WORKS

60 seconds

- After Molecular Hydrogen Water is consumed, the molecular hydrogen gas will enter the portal vein

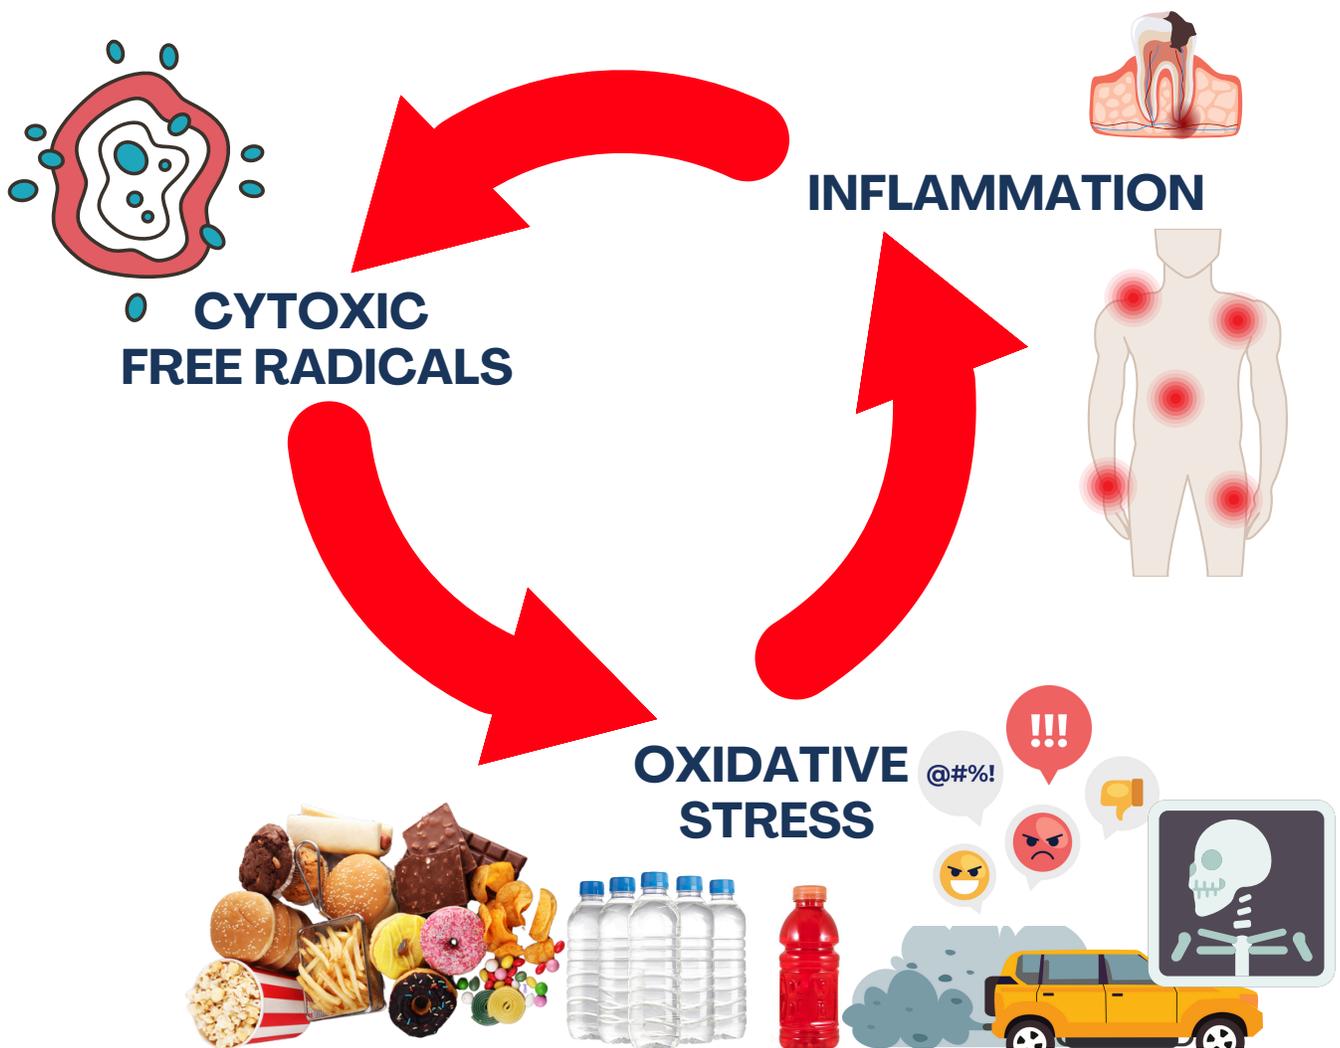

5-15 minutes

- The molecular hydrogen gas will be at 100% saturation level in all organs, penetrating your cellular membranes and blood brain barrier

60 minutes

- You will exhale out the molecular hydrogen gas as this is not stored in your body

H2 COMBATS OUR TOXIC WORLD

**OVER 3,000 PUBLISHED MEDICAL
STUDIES THAT SHOW BENEFITS OF
MOLECULAR HYDROGEN**

WHAT COMPANY DID I PARTNER WITH?

ENAGIC

- A **51-year-old international Japanese** water technology company that has generated **\$1B+** in sales, with **unmatched growth potential** compared to competitors
- **Original Equipment Manufacturer (OEM)**
- **11 certifications** including Certified as a **medical-grade water ionizer** and (3) **three ISO's**
- **Handmade** and then goes through **22 test points** before release
- **Annual deep clean** available at headquarters

REALITY VS POTENTIAL

You pay for water deliveries or use tap water in your home/business	You would offer Molecular Hydrogen Water to family/clients
Avg cost for water deliveries - \$175+/m.	Avg cost for water ionizer - \$175/m until unit is paid off
Income from this : \$0	Income from this : \$1,500-\$2K/month on water share memberships PLUS up to \$2,800 per machine sold
Price over 15 years for water delivery system: \$31,500	ONE TIME COST for water ionizer which lasts average of 25 years: \$5,480
Added value to family/patients: None	Added value to patient: <ul style="list-style-type: none">• Reduces inflammation• Reduces oxidative stress• Improves cellular function• Protects against mitochondrial dysfunction• Increases energy• Fights against over 170 different disease models

THIS MACHINE REPLACES

All-purpose cleaner, bleach, laundry detergent, neosporin, fruit and veggie wash, goo gone, makeup remover, toner, deodorant, conditioner, stain remover, fabric softener, disinfectant, mouth wash, hand sanitizer

THIS MACHINE HAS OVER 85 USES!

SAVING THE AVERAGE FAMILY OF 4

\$2,000 PER YEAR

The lifespan of the machine is 25 years:

$$25 \times \$2,000 = \$50,000$$

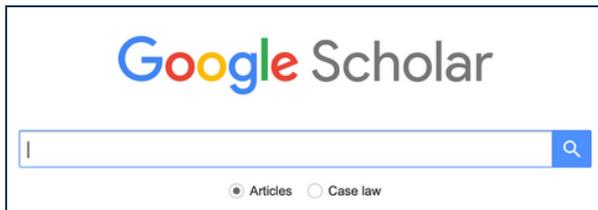

$$\$50/\text{month on bottled water} \times 25 \text{ years} = \$15,000$$

\$65,000 IN SAVINGS TOTAL

UNTAPPED MARKET

The global Water-Ionizer market size was valued at \$2.3B in 2021 and is expected to expand to \$3.4B by 2027.
