# All About Us

Rachael & Shannon

We are a photography & design duo that enjoy shooting weddings, families, and creating unique designs for the future of others. Serving is our passion and sports is our addiction! #gowarriors We are best friends and roommates who enjoy a good laugh just as much as our pup Cooper!

Tallahassee, Florida is our home but we love to travel! We live for the moment and love to capture bright, joyful, and timeless photos!

Who says portraits are just for special occasions?

We believe that any day is a good day to have fun in front of the camera! If you are looking for family photos, maternity photos, birthday photos, or more, then this is a service for you! Even if you want photos just because, we can do that too and we will definitely throw in a couple of jokes to go along with the session! A general session will take no more than an hour and a half and you have a choice of up to two different locations with 30+ fully edited digital photos delivered in a digital gallery!
