## ***I Don't Live For Myself***

David Fure

Key: E

BPM: 150

Arrangement: V-C-V2-Pre-C-Bridge-C

### **Verse:**

C#m                    B                    A  
All I earned was death but you gave me life instead  
C#m   B                    A  
You canceled all my debts and you taught my heart to rest

### **Chorus:**

E                    F#m                    A  
I don't live for myself anymore  
E                    F#m                    A  
I don't live for myself anymore  
E                    F#m                    A  
I live to see you lifted high, I live to worship you with my whole life  
E                    F#m                    A  
I don't live for myself anymore

### **Verse 2:**

C#m                    B                    A  
I don't know any other source of peace I don't know any other source of life  
C#m                    B                    A  
I don't know any other source of joy, Jesus you're the only thing that satisfies

### **Pre-Chorus**

E                    F#m                    A  
I can't get no satisfaction apart from you  
E                    F#m                    A  
I can't get no satisfaction apart from you

### **Bridge**

C#m                    B                    A  
If the son of God could lay down his life then who am I to hold onto mine
