## Classic 2-Day Certification

Eyelash Extension Courses & Training

Blink Beauty Salon & Spa has partnered up with Ololash Certification to deliver you a lash certification course, designed from our first-hand experience as veteran lash artists! The curriculum delivered is jam-packed with information. The application techniques and class layout are creatively crafted with one intended outcome- your success in the lash industry!

We truly care about the success and growth of each one of our students, which is why we offer on-going mentoring to every student we work with.

As the aspects of the courses are thoughtfully designed, the Ololash products are not an exception. Not only do they perform amazingly, but are also made of the BEST quality ingredients and materials, and are priced with your business in mind.

I am very excited to share my knowledge with you!
