

# Aromatherapy

by Clearlight®

Aromatherapy dates back thousands of years. Ancient cultures incorporated aromatic plant components into balms and oils to take advantage of the health benefits. The knowledge of aromatherapy and essential oils began to spread when seafaring merchants exported essential oils around the world making essential oils one of the earliest trade items of ancient times.

Turn any room into your own aromatherapy oasis with the Clearlight® AROMAONE® Aromatherapy diffuser. Just add a few drops of your favorite pure essential oil to water for a fragrant, long lasting mist. Enhance your mood and energy with Aromatherapy.

## Features

### Ultrasonic Technology

This diffuser uses ultrasonic, high-frequency technology to convert the water and essential oil into a fine mist that is dispersed into the air evenly, delivering natural aroma to enhance your mood.

### Mood Light

The gentle glow creates a peaceful environment.

### 2 step fan speed

User controlled low or high fan speed.

### Run Time

Up to 4 hours of continuous runtime.

### Automatic Shut-Off Protection

When the reservoir is empty, the unit will shut off automatically.

### Reservoir Capacity

60ml.
