

The Alisse is an elegant, balanced, and versatile wall control that is designed to work seamlessly with Lutron HomeWorks. Choose from a range of button configurations to meet the needs of the space and select a finish from the new Lutron Signature Metal Collection to complement the interior style.

**Hand Crafted Finishes**  
An approachable form machined from solid brass and finished by hand.

**Elegant Button Illumination**  
A subtle touch of technology surrounds the button.

**Engraving**  
Custom engraving to personalize the experience.

Every detail of design, installation, and programming has been considered and improved, making Alisse a simple choice for any home.
