

Prayer for Peace

God of peace,
You forgave us, saved us,
and gifted us with a vision of compassion and unity.
Save us from our desire to hurt as we have been hurt,
To terrorize as we have been terrorized,
To make an enemy of those of different cultures or faiths,
Of those who have what we may want.
Give us everyday the depth of soul
To constrain our might,
To resist temptation to power,
To understand that violence leads to violence.
Grant peace to us and to our sisters and brothers around the world.
Amen.
