“*This workbook is designed to empower, guide and invest in your own personal and career development.*”

Hi! I am Ann Hiatt, the author of *Bet on Yourself*. I am thrilled and honored that you are here! This book means so much to me because I see what it has come to mean for you. I have been so touched by the outpouring of heartfelt reactions to it.

I feel so blessed to have worked with the incredible people who have hired, mentored and invested in me. This gift of my elite business education is too big for one single person or career to contain. It has taken on a life far bigger than mine and demanded that I share it with as many people as possible. Thank you for showing up and joining this tribe!

This workbook is designed to empower, guide and invest in your own personal and career development. More than anything it has been designed to awaken that inner expert deep inside you that already knows what you need and desire to accomplish. This will just give you a few tips and encouragement along the way to translate that into action and motivate you through the pivots and challenges ahead.

You will receive instructions for access to the workbook to your email soon. Please email us at [hello@annhiatt.co](mailto:hello@annhiatt.co) if you need any assistance.

Wild success is waiting for you! I can hear it calling! Let's get going!
