PROFILE

Janet the third born of six children in her family. Janet lost her father back in in 2013 when he went into kidney failure. Janet's mother has tried to keep Janet in school through her hard work with farming. In the recent years the farm has had low yields making it difficult to meet the costs for tuition. Janet was recently sent to live with her older sister in the hope that she would be able to support her schooling. Janet's sister, however, has been faced with losing her job during the pandemic lockdown. Making it impossible for Janet to return to school. Janet dreams of practicing law in the future after graduating high school.
