

Prayer for Compassion for Immigrants

God of Compassion

Today we pray for all the people of the world who live in hiding and in fear from persecution. We pray that you may give compassion to the politicians who are making laws. Compassion for all the people who will be affected by their decisions and live in fear every day that their lives may be in turmoil or that they may become separated from their families and loved ones.

We pray for all the children and their parents. Protect them from any harm that they may grow freely in your name. Help those who are struggling to find work to find a job today so they can shelter and feed their families.

We pray that deportations stop until we have comprehensive immigration reform and that Immigration and Customs Enforcement stop separating families.

God of Hospitality, we ask that you grace the people of the United States with your Spirit of Hospitality, so that all may be welcome here and treated with your Spirit of compassion and dignity.

We ask this in Jesus' name. Amen
