A full-page photograph of a bride and groom standing on a wooden boardwalk in a forest. The bride is wearing a white strapless gown and a floral crown, and the groom is wearing a blue suit. They are holding hands and looking at each other. The background features trees with vibrant autumn foliage in shades of orange, yellow, and red, with a mountain visible in the distance.

FREQUENTLY *Asked Questions*

SHOULD I HAVE A FIRST LOOK?

If you are even considering this... YES! My 1# recommendation is the first look. It helps with the flow of the timeline. You can get some photos out of the way, and be able to enjoy the cocktail hour sooner.

HOW LONG UNTIL MY GALLERY IS READY?

Sneak peeks will be delivered within a few days, following that the gallery is culled, and edited. This process takes 3-4 weeks, depending on my backlog. Hopefully even sooner.

WILL YOU HELP ME MAKE A TIMELINE?

In another life, I was a wedding planner. 100% yes. I will help you through any details you need, share sample timelines and work with you to create your dream timeline.

DO YOU DO PHOTOS AND VIDEOS?

Yes! With a dual-camera setup, I'm able to capture photos and video. This is a perfect way to capture your day and create long-lasting memories. Inquire about my discounts for dual packages.

SHOULD I ELOPE?
