I'm Elizabeth, the owner & photographer of e.three photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Quincy, IL. I've been shooting weddings for over five years now. There isn't a day that goes by that I don't have my camera in tow.

After graduating from Quincy University with my degree in Human Services, I wasn't sure what I wanted to do with my life and I started documenting friends and family members to build up my portfolio. In 2017, I started shooting weddings. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business. I currently work full time as an Accountant and wedding photographer and enjoy spending time with my dog, Charlie!

Get comfy as you browse my work!

# *you have questions*

---

Q: What sets you apart from other photographers?

A: With years of experience under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, but you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I always ask each client if I can post their images to my social media sites before doing so.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the Canon R, sigma 35 mm lens, 135 mm lens, & the 85 mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and instagram are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A \$500 retainer & signed contract is required in order to get your wedding day on the calendar. The remainder of your balance is due one month prior to your wedding.
