

Cold Roller \$35

Cold rolling helps reduce the appearance of pores, reduces inflammation, puffiness and redness. Feels great after working out, after sun exposure and morning and night. We highly recommend to use on acne too! Use the cold roller on your face, your body, your boyfriend and anywhere else! Store your cold roller in the refrigerator or freezer (make sure to let the cold roller sit for 2-5 minutes before letting it touch your skin from the freezer).

Mini Cold Roller \$22
