FREQUENTLY ASKED QUESTIONS

- 01 – Is there a fee to be a part of the JLP Senior Model Team?

Yes-program fees range from 799-1699. There are 4 different membership options that are available for you to choose from. Each level has different perks & benefits to ensure that you are getting exactly what you want out of the program! If you are accepted, you will have the option to choose your level & pay the program fee in full, or divide it into 4 equal payments over a 2 month period. With every membership option, your full luxe senior session experience is included. From this session, you will also receive a 25% discount on portrait art (albums, grad cards, etc.) & up to 50% off digital files!

*Digital files are already included with your mini session & group sessions within the program, but not included in your full session.

- 02 – Do I need to have any modeling experience?

Absolutley not! You just need to have a great personality and love being in front of the camera! I will help you with posing and be your all time greatest hype woman all year long!

- 03 – Do you provide clothing or do I bring my own outfits?

The choice is yours! We have a beautiful selection of dresses & accessories! If you would prefer to wear your own clothing then that works great too! Depending on the theme for the group shoots, you would be provided with outfit options so everyone is coordinated.

- 04 – I love to do my own makeup-do we have to use your makeup artists?

I highly recommend that you do as we use the BEST artists in the tampa bay area, however it's totally your choice!
