**Dolce Vita Countryside Retreat**

**DOMAČIJA PRI ŠTEFKI**

We're delighted to invite you to an intimate retreat crafted for women who find joy in life's refined, quiet moments — slow mornings with the scent of fresh coffee, beautifully set tables that invite conversation, soul-nourishing meals, and the enduring grace of timeless femininity. All set against the serene backdrop of the Slovenian countryside.

This gathering is a celebration of presence — of finding beauty in simplicity and connection in shared experience. From dinners under the stars to a delicate workshop in crafting French macarons, every detail is thoughtfully curated to bring a sense of ease, inspiration, and belonging.

Our time together will unfold at the charming Domačija pri Štefki, where the rhythm of rural life invites us to slow down and savor. To accommodate everyone comfortably, we'll be staying across two nearby venues, just five minutes apart by car.

**Those who register first will be hosted at Domačija pri Štefki, with the remaining guests welcomed at the lovely Accommodation Repovž. (You'll find photos of both spaces on the last slide.)**

We can't wait to share this special experience with you.
