In case we haven't met yet...

I'M KATELYN!

I started my business when I was in college at 21 years old and balancing work, classes, and my social life. I remember those days so, so well! It's one of the most EXCITING seasons of your life...but also so overwhelming and so many big changes at once. My second year of college, 2018, is the year that I found my love for photography...and I went full-time as a business owner in 2021. It was a crazy roller coaster, but it was the most monumental time in my life....and it's why I'm SO passionate about photographing seniors. I married my high school sweet heart in 2020 and we have a Shih-Tzu named Myla! Now that we've gotten to know each other, let's dive into the good stuff!

WHAT TO EXPECT

As a KMP Senior, you can expect tonnnns of information! I want you to know what's around every corner as we begin to prep for your shoot day!

1. The Style Guide + Questionnaire:

After you officially book your Senior Session with me, you are going to receive the KMP Senior Style Guide and Senior Questionnaire. In the style guide, you will find TONNNS of information on outfits, hair, makeup, props and so much more! The questionnaire will help me to get to know you, your style and your preferences so that I can create the best possible senior experience for you! Please take the time to fill it out thoroughly after reading the style guide - the more info you give me, the more I can customize your experience and be sure your images reflect YOU!

2. The Week Before..

As we get closer to the day of your shoot, you can expect to hear from me with our meeting time, location, and final check-in! I photograph senior portraits at "golden hour" - either 2 hours before sunset or the 2 hours after sunrise. These times of day have the most amazing, glowy light, cooler temperatures and less crowds at popular locations. Because of this, I like to wait until we are 1-2 weeks from your shoot date to lock in an exact meeting time based on the time of the sunset. If there are clouds or rainstorms in the forecast, this also allows me to plan around the weather to ensure we get the best lighting possible! So, if we planned for around 6pm...it may end up that 5:30pm or 6:30pm is actually the best time to meet. That is super normal!

HAIR, MAKEUP..?

Because professional hair + makeup is included with this package, you don't have to worry about finding your own artist (unless you just want to!)

1. LET'S TALK STYLE!

Once you complete your Senior Questionnaire, I will reach out to you shortly after to discuss your personal style and preference. I want you to feel as comfortable as possible during your senior session and this starts with wardrobe!

2. MAKEUP AND HAIR!

On the day of your shoot, you will come to my house to begin the hair and makeup process! I have worked with the most amazing hair and makeup artists the last 5 years and can promise you, you are in good hands!

3. BRING INSPIRATION WITH YOU!

Have a photo from Pinterest or Instagram that you want to use as inspo? PERFECT! Bring it along with you so that we can get a feel for your style + the look you want to achieve for your shoot!

4. BE COMFY!

You are welcome to arrive in a cozy lounge outfit for the hair + makeup appointment! No need to get all dressed up in one of your shoot outfits for this. The comfier, the better! You'll have more than enough time and a great space to change before we actually begin shooting.

I'VE GOT YOU COVERED!

Now, for the slightly less fun part...let's address a few quick hiccups that could occur before your session. These are some frequently asked questions that I get about common problems that can pop up...and I want you to feel as prepared as possible! I've been doing this for almost a decade....so I've seen it all! And I'm confident that we will get you amazing images no matter what gets thrown our way!

FREQUENTLY ASKED QUESTIONS:

Here are some questions that I get often, and what to do if anything goes wrong leading up to your shoot date!

What happens if we have bad weather?!

This is by far the most asked question I get about things that could go wrong, which makes total sense...because bad weather happens all the time! If there is bad weather in the forecast for your shoot, rest assured that you have options and I am MORE than happy to reschedule! I typically wait until we are 48 hours out from the session to make a final decision about weather because it changes so often.

If there is a 50% chance of rain or LESS: It is TOTALLY up to you whether you want to move forward with trying to shoot, or if you'd prefer to reschedule to another date. However, if you have your heart set on glowing light and bright images...I'd recommend rescheduling to be safe.

If there is a 50% chance of rain or MORE: My professional recommendation in these scenarios is to reschedule. Even if it doesn't end up raining, it's always better to be safe than sorry, especially if you are really excited about bright, sunset light in your photos!

Wind: There has only been one time I've had to reschedule a session for bad wind...and it was CRAZINESS! Typically, we can shoot despite the wind if we are strategic with WHERE we shoot. But if there are crazy gusts and you would prefer to move to a day when we know your hair won't have flyaways... we can make that happen!

Fog: Typically, fog is only an issue with sunrise shoots.... but I've had it happen! If there is severely thick fog, it will impact your images because they will be cloudy and grey...which is not my typical shooting style that you booked me for.

Cloudy: I have a lot of seniors who get worried about cloudy days because they think their images won't be as bright and beautiful...but rest assured, that's not true!! Cloudy days are actually AMAZING for photographers...because it means there are no harsh shadows!! Unless it is a seriously grey day with heavy fog or severe storm clouds...cloudy days are our friend!! AND they aren't as hot!!

What if we do have to reschedule because of weather?

That is COMPLETELY okay! We will make the final call 24-48 hours before your session. Part of the reason I only take 2 senior sessions per week is to leave TONS of room open for rescheduling if we need to for reasons outside of our control (i.e. sickness, weather, emergencies). Typically, you won't have to wait longer than 2 weeks if we have to move your date!*

**This does NOT include needing to reschedule because of poor planning, running late or any other reason.*

My skin is breaking out like crazy...HELP!

Girl, we've ALL been there! Don't worry one bit. I am happy to remove any large blemishes in Photoshop - you won't even know it happened! Promise!

Where am I going to change my clothes?

Typically, my seniors choose to change their outfits in the car. A lot of the time, we are photographing at locations that do not offer public bathrooms, so it's the quickest option! I recommend trying to organize your outfits + accessories ahead of time to make this process super quick and easy. If you would feel more comfortable changing in a bathroom, just let me know ahead of time - I'm happy to select your locations based around which ones have public bathrooms!

Should I get a spray tan?

I actually recommend staying away from spray tans before your shoot...especially if you have never done them before! Instead, I recommend a more gradual, natural tan like Jergrens lotion - this way you can build it slowly and it will look natural and not patchy.

I got a horrible sunburn and my skin is peeling!

Oh no! As much as it breaks my heart, a severe sunburn or peeling skin is one of the only times I DO recommend rescheduling your shoot. It is very difficult to edit out bright red skin tones or peeling skin and make it appear natural. Don't fret, you'll be glad you moved dates until you were feeling your best - promise!

GALLERY DELIVERY

YAY! It takes 3-4 weeks to edit your senior images, then you'll get an email with the link to your full gallery - AH!!! This is where you will be able to download, share and print all of your high resolution digital images. You can download individual images or the entire gallery at once. You can also individually save photos to your phone to start sharing on social media!

IN CONCLUSION..

Thanks for taking the time to read through this guide! I hope you found it helpful! At the end of the day, whoever you choose to take your senior portraits, make sure they best represent YOU! Your Senior Portraits are something you will treasure for years and years to come, and will be passed down to generations.

If you think we would be a good fit, feel free to reach out! I'd love to chat and talk about your senior sesh! :)
