### Cut out this week's memory verse And put it where you can see it!

### Let's review what you read this week:

PETER

This week was one of Alex's favorite Bible Characters, Peter. He loves this story because of the faith Peter showed. He was the only person to walk on water besides Jesus.

This story also shows you what happens when you let fear in over faith, Jesus instructed Peter to walk out on the water. Can you imagine that sight? Jesus standing on top of the water?! That is so cool and amazing.

Now it was Peter's turn. He stepped out on the water and began to walk towards Jesus. Do you know what was also happening around them? There was a scary storm. Once Peter noticed the storm winds and rain, he began to sink in the ocean.

Do you ever feel like things in life around you seem hectic? Feel Like A storm? Have A BAD DAY? Receive BAD news? Don't put your Attention on the things in life not going so well. It's important to keep your thoughts on Jesus and what his Word is telling you.

PETER

When you magnify the promises of GoD in your life, your faith stays strong. If you magnify the things that aren't good, then your problem only grows, and fear sets in.

Then you'll be like Peter After He saw the storm. Instead of trusting that Jesus would take care of Him out on the water, He focused on the rain, the scary waves, and the lightning that He Began to sink in the water.

Never Let your faith get weak by a storm around you. Stay strong on the Words of Jesus, and you'll always be able to do the impossible.

ALWAYS remember in MAtthew19:26 it SAYS Jesus Looked At them intently And SAID, "HumAnly Speaking, it is impossible. But with God everything is possible." Be Like Peter today. Step out with strong faith!
