NEW SERIES

GOOD NEWS

HOW THE GOSPEL MAKES SENSE IN THE EVERYDAY NORMALNESS
OF LIFE.

We're starting a new series this month which is all about how we live out the gospel in the everyday stuff of life.

If you ever feel like what you believe about the bible struggles to play out in your actual life, then this series is for you.

We'll be looking at the 4 G's of the gospel, which are:

- **God is great:** So we don't have to be in control
- **God is glorious:** So we don't have to fear others
- **God is good:** So we don't have to look elsewhere
- **God is gracious:** So we don't have to prove ourselves

We also have a print out series booklet for you to keep during this series, which we're hoping will enable you to immerse yourself in the teachings at an even deeper level.

We're excited for this series, and we hope you'll join us over the next 5 weeks to learn about what it could look like for the gospel to truly take root in our lives.

Meet Jessica

King's has recently hired Jessica Fong to be the Sunday ministry coordinator. Here's what Jess had to tell us about her and her family:

WHAT DOES YOUR ROLE INVOLVE?

My role is to assist with the planning and overseeing of our Sunday gatherings. With the gospel at the center, we're aiming to facilitate services in a way that runs smoothly for our teams and our congregation. However, most of all we hope our Sunday gatherings would be an extension of what it is to live out the good news of Jesus in our everyday lives.

WHY WERE YOU INTERESTED IN THIS ROLE?

I have been humbled by the grace and love of Jesus working in my own heart and, out of the overflow of what God has done for me, I desire to serve His church. I have a heartfelt interest in the way Sunday gatherings are run both practically and in ways that will encourage each other toward discipleship.

WHAT DO YOU DO FOR FUN WHEN YOU'RE NOT WORKING?

Matt and I both love photography and on weekends we enjoy loading our 4 sons along with some snacks, into the car and explore beautiful locations around Adelaide. I especially love chasing beautiful blooms in spring!

I also enjoy doing creative projects be it, sewing, knitting, baking and even painting.

PRAYER POINTS

Here's some things we're praying God would do within our community at the moment.

MORE VOLUNTEERS IN SUNDAY KIDS MINISTRY

As our kids ministry grows the need for more leaders is growing also. Please pray that God would provide the people needed to help this ministry flourish.

CREATIVITY FOR OUR YOUTH TEAM

Our youth team need God's strength to find a good balance between having fun together, building relationships and making intentional space to speak the gospel into the life of the youth.

THE RIGHT PEOPLE TO FILL NEW ROLES

As we continue to search for a new associate pastor and pastors to family and staff, please pray that God would bring the right people in to these roles

SUNDAY EVENING CONGREGATION

As we continue to launch our new congregation which has begun meeting monthly on Sunday evenings, please pray for guidance and growth in the gospel as we seek to follow the Lord's guidance on this journey.

KING'S COMMUNITY SERVICES

Clarity around direction as the needs in our community shift and grow and as we seek ways to share the gospel with our broader community and local schools.

LIFE GROUPS

King's has been growing steadily over the last few months, and we have more people looking to join life groups. Please pray that we would see the right people step up and become life group leaders to help meet this need.
