October's theme

Construction Updates...

Foundation is poured!

Framing has begun!

Electrical is going in!

It's looking good!

CELEBRATING THIS CUTIE

FISHER

Boy oh boy do we love our Fisher man! He is just too precious, sweet, and full of joy! We couldn't be more proud of the skills he has built 🛠️ and how hard he has worked 💪 to master sooo many goals in OT and speech! He has the most sincere and supportive parents around. They really go the extra mile, 🚗 both literally and figuratively and we are so thankful to call them part of our Dear Sister Therapy family. We ❤️ them!
