# FAQ

---

## WHERE ARE YOU BASED?

I'm based in Christchurch, Canterbury.

## DO YOU TRAVEL TO US ON THE DAY?

You bet I do! If you are outside of the Christchurch 4 Avenues there is just the standard milage .82 cents a kilometer. If unsure please just ask.

## WHAT DO I NEED TO SUPPLY ON THE DAY?

I supply all the makeup needed on the day. All you will need to have with you is your lipstick so that you can touch up during the day and into the evening, it will come off with all the kissing, drinking, & eating.

## HOW LONG WILL THE MAKEUP LAST FOR?

Il use all MAC makeup in my kit, so I guarantee it will last the entire day up till you've finished on the d-floor! It won't make much difference if I apply our makeup at 8.30 am or 11.30 am, it won't be moving. I use primers and longevity products that make this possible.

## HOW LONG DO YOU ALLOW FOR EACH PERSON?

I allow 45mins per Bride/Bridesmaids. 35min for Mother or Bride/Groom etc as they generally require a lighter makeup.

## DO YOU REQUIRE A DEPOSIT TO SECURE A BOOKING?

Yes, a \$70 deposit is required to secure the booking . This is non-refundable.

## DO YOU WORK IN WITH HAIRDRESSERS?

Yes absolutely, I have worked with a few hairdressers over the years and highly recommend them. I can check their availability and organise this all for you, or I can pass on their details so you can contact them yourself.

## HOW WILL IT WORK ON THE DAY?

On the day I'm at your disposal, I will start makeup on whomever you wish, generally with a bridesmaid or mother of bride/ groom, they then move onto hair and so on, it really doesn't matter what order hair or makeup is done or though I do prefer to makeup on the bride before her hair.

## DO I NEED TO HAVE A TRIAL?

This is entirely up to you. If you aren't a big makeup wearer, or find it hard to envisage exactly what it is you are wanting then I recommend for your own piece of mind that you do have one. I do these at home (keep the cost down) and they are just \$70.

## Kind Words
