

DREAM BELIEVE ACHIEVE SUMMER 2019

PREMIER INTENSIVE & CHOREOGRAPHY

(PULSE & FRISCO TEAM & VIBE CREWS SEASON LAUNCH)

AUGUST 5 - 17

WHO: Exclusive to the 2019-2020 PULSE & FRISCO TEAM Dancers (Intensive Classes & Choreography)
VIBE CREWS (Choreography Only)

WHAT: This intensive serves as the season launch for our PULSE & FRISCO TEAM dancers. During this intensive, classes will be designed to set dancers up for a successful year, as we focus first on the fundamentals. Dancers will train in a variety of styles, dance history, and artistic movement exploration. The Premier Intensive will further develop and encourage the proper fundamentals that are required to be a successful dancer and team member. The intensive will take dancers out of their comfort zone and feature new innovative approaches, created by the KJ faculty, to strengthen dancers both mentally and physically. This fundamentally and technically based intensive will motivate students to be dedicated, disciplined, and dance with a generosity of spirit.

Choreography for the new year will begin during the Premier Intensive. Dancers who are absent from choreography sessions during the Premier Intensive will not be added into dances at a later date, unless the dancer is attending an elite dance training program that has been approved by Kristy. VIBE Crews will not participate in premier intensive classes but will be scheduled to begin choreography during this intensive period.
