

WEDDING CHECKLIST

These put together a handy checklist to help you plan. But please remember this is just a tool to help make the planning process smoother. Your wedding should be a reflection of you and your partner's personal style and preferences, so don't be afraid to make it your own.

Use the checklist to keep track of what you've accomplished, and if there's anything that doesn't apply to your wedding, simply mark it as "No!"

WEDDING PLANNING CHECKLIST

[illegible]

PURCHASE VERSION WILL RECEIVE THE CHECKLIST
