WHO WE ARE

We are on a mission to end loneliness. We do this by encouraging and empowering people (like you!) and partners to connect with others who matter in their lives.

WHY LONELINESS?

Loneliness is perceived social isolation or the subjective feeling of being alone. Said another way, it is the inability to connect in meaningful ways that give us a sense of significance and belonging. Loneliness is proven to be significantly harmful to both physical and mental health. We have seen firsthand the devastating effects of prolonged loneliness. So we are on a mission to end it.

“LONELINESS IS ONE OF THE GREATEST HEALTH CONCERNS PEOPLE FACE.”

— HARVARD HEALTH

OUR VALUES

- RESPECT
- EMPOWERMENT
- COURAGE
- EXCELLENCE
- JOY

As a nonprofit organization, we rely entirely on the generosity of our donors to survive, thrive, and carry out our programming. Funds will enable us to have the freedom to work - uninterrupted - toward intentionally combatting the global loneliness crisis, starting with our youth. Specifically, your financial contributions will fund expansion of our youth program, the Connection Curriculum, and the production of the next season of the I Know Lonely Project.
