Investment & How it Works

Your bridal preview appointment is a dedicated time with your wedding day artist. During this time, your artist can help you find your perfect match. From there, your artist will fill out an information card for you to take home. This card will have the color you need as well as instructions. You will email Annie, our bridal experience coordinator, to process your rental. Below is an overview of how the process works!

1. Find your perfect match & email our bridal experience coordinator, Annie, letting her know your color and wedding date.
2. Pay your invoice & sign a rental agreement.
3. Pick up your rental the Thursday before your wedding.
4. Return your rental the Monday following your wedding.

Once we receive the rental return, we will inspect the items to ensure no damage has been done and all pieces are present. Upon completion, we will remove your card on file. If there is an issue or potential additional fee, we will contact you before processing.

Reservation includes 3 full days of extension rental.

TOTAL INVESTMENT FOR EXTENSION RENTAL: \$95
