

Job Description: Interior Designer

Salary Range: \$55,000 - \$90,000 per year

Job Type: full time

Job Summary

McQueen Building Company, a boutique design-build firm, is hiring an experienced, full-time Interior Designer to join our pre-construction team. Interior Designers are the main point of contact with clients during the design phase of residential projects. Planning and leading design meetings, Designers help customers create and execute their design visions. Interior Designers collect and organize data so products can be ordered, and the proposal can be written. They serve clients by answering design questions, offering their design expertise, and communicating clearly with them throughout project execution.

Job Responsibilities

- Lead design projects from beginning stages to completion
- Build and maintain client/vendor relationships
- Participate in the selection and presentation of furniture, material finishes, FF&E, and lighting
- Provide design support to and maintain open communication with clients, consultants, manufacturers, and team members during all phases of the project
- Manage and generate presentation drawings, renderings, and other sales and design tools needed to accommodate the client
- Tackle complex design issues as they arise

Desired Qualifications

- 5+ years of qualified experience in residential design
- Bachelor's degree in design or related field
- Must be proficient in Autodesk Revit
- Strong interpersonal and client relations skills
- Thorough understanding of design principles
- Proven ability to prioritize in order to meet deadlines and provide high quality service to clients
- Flexibility and adaptability to fast-paced working environment
- Enthusiastic approach to problem-solving
