IMPORTANT UPDATES FOR JUNE 2023

During our recent Mayor's Day of concern Mayor Jeff Wagner, and fellow council members, joined us in collecting hygiene items, food, and monetary donations both at Safeway and the Dollar Tree. Our community rallied together and gave over 10,000 lbs of food during the national USPS Stamp Out Hunger day in May! This helps us fight hunger in Covington! We were also thrilled to host members of Faith Church in Kent who volunteered - learning more about food insecurity in Covington.

HOW YOU CAN HELP

We need shelf stable foods such as tuna, canned chicken, soups, peanut butter, cereal, rice and noodles. Weekly hygiene needs such as soap, diapers (size 5/6), deodorant, toothpaste, shampoo, laundry detergent & feminine products are greatly appreciated. Thank you for your consideration to giving to your neighbor(s).

If you have the means to consider blessing The Storehouse to support our efforts in bringing food security to our 98042 community, you can simply scan the QR code below. Thank you!

QUARTER 1 BY THE NUMBERS

We logged 2,800+ volunteer hours in the first quarter. 627 UnitedWay of King County Door Dash Bags were delivered!
