# First Chapter Friday

#### Included in this Resource:

- What is a Mystery Quote and How Do I Use It? (video link)
- 2 sided student engagement worksheet to use during The Word Nerd's First Chapter Friday Videos
- Printable Mystery Quote "answer sheets" for students to record the mystery quote while listening to the video. Students can turn in their answers for a drawing. Suggested prizes may be: choice seating, first dibs on the book that was read aloud, candy, "School Bucks", etc.
  - I would do one of these two (either 2 sided sheet or prize sheet... otherwise it might be too much and become tedious for the students which would detract from the goal of engaging them.
  - I would also choose to do either this mystery quote activity or one of the other student engagement worksheets I've created... again, we don't want to just give busy work. I think it would be a great idea

to continually mix it up to keep things fresh. For example: Do a mystery quote sheet one week, a mindfulness coloring sheet (in the 2023 pack) the next, an original FCF worksheet (novel specific or generic) the week after that, or an author interview worksheet (<u>from this pack</u>) the next. This way things won't get stale and stagnant and you can reach a variety of types of learners in your classroom.

Watch this <u>quick video</u> to learn all about the Mystery Quote hidden in my First Chapter Friday videos and how to use it in your classroom.

I have over 120 First Chapter Friday Read Aloud Videos on my channel. MOST have Mystery Quotes hidden inside. If a mystery quote is included, it will be noted on the video thumbnail image, in the video description box and also within the first 30 seconds of the video.

Videos that do not have mystery quotes were likely made in the first half of 2021 (before I began adding them) or in a graphic novel read aloud when there is already a lot going on, on screen. I hope your students enjoy this added layer to my videos and that it further engages them in the wonderful ritual that is First Chapter Fridays.
