Jonathan and Adalis Shuttlesworth are the founders and leaders of Revival Today, an evangelistic ministry established in 2007. Through their faithful dedication to God and His Word, they've been blessed to be used mightily by God.

For over 20 years, Jonathan has traveled extensively throughout North America, India, the Caribbean, and Africa to spread the Gospel.

In 2013, they launched Revival Today TV on mainstream television, and more recently their online presence has grown significantly on platforms like Facebook and YouTube.

Beginning in 2015, Jonathan has won thousands of souls to Christ by holding numerous open-air crusades and outreaches in American inner cities. The heartbeat of Revival Today is winning the lost, as they believe the nations are ripe for revival.

In 2020, amidst the COVID-19 pandemic, Jonathan launched "Check the News"—a daily program covering news from a biblical perspective, with coverage via the Revival Today 24/7 streaming app, YouTube, and X.

In 2021, they announced the launch of Revival Today Church in Pittsburgh, Pennsylvania followed by another location in Fort Worth, Texas in 2023. Most recently, Revival Today Church opened a third location in March of 2025 at the historic Angelus Temple. These churches honor the Holy Spirit, win souls, bless families throughout the nation, and unapologetically believe God's Word. Jonathan and Adalis are passionate about reviving faith, helping people experience the Holy Spirit's power, and transforming lives through the Gospel message.

# A NEW DAWN:

## 10 STRATEGIC ACTIONS TO TAKE IN A FAVORABLE TIME

*By* Jonathan Shuttlesworth

## INTRODUCTION

*Preach the word of God. Be prepared, whether the time is favorable or not. Patiently correct, rebuke, and encourage your people with good teaching.*  
**2 TIMOTHY 4:2**

The Bible says there are favorable and unfavorable times. It's important to develop strength to sustain unfavorable times so you'll flourish when a favorable time comes. We've entered into a favorable time for ministry and for believers. The theme for this year is "A New Dawn." You must plan the new year as if nothing you do will fail. The wind is not at your face anymore, it's at your back.

*But now the Lord my God has given me peace on every side; I have no enemies, and all is well.*  
**1 KINGS 5:4**

Peace on every side means peace in your finances, health, family, and every area of your life. David defeated all his enemies, so there were none left for his son Solomon to fight. This is our story for the upcoming year. We're living in a miracle.

You have two options: take your foot off the gas and wait for things to fall apart again, or seize this favorable time. Most Christians only know how to play from behind. They have no idea how to put their faith into action. You don't have to live in a cycle of miracle to attack. The faith you activated to get out of trouble is the faith you keep activated to enforce dominion and take ground. When all the demons have been cleared out, and you find yourself in a favorable season, you keep your faith engaged for forward advancement.

## HERE ARE 10 STRATEGIC ACTIONS TO TAKE IN A FAVORABLE TIME.

### 1. Acknowledge Your Complete Dependence on God and Enter Into Partnership With Him.

*"Now, O Lord my God, you have made me king instead of my father, David, but I am like a little child who doesn't know his way around. And here I am in the midst of your own chosen people, a nation so great and numerous they cannot be counted! Give me an understanding heart so that I can govern your people well and know the difference between right and wrong. For who by himself is able to govern this great people of yours?"*  
**1 KINGS 3:7-9**

Solomon humbly acknowledged his complete dependence on God and entered into partnership with Him. Likewise, be humble. Looking sad and driving a beat up car are not examples of humility. Humility is prayer, fasting, and acknowledging your dependence on God. It's admitting that without Him, you can't do anything.

### 2. Ignore Your Feelings of Limitation and Move Swiftly

Solomon ignored his feelings of limitation and moved swiftly. He was young, inexperienced, and had no idea how to govern, but he didn't allow that to stop him from leading and moving forward with God.

If you tend to rehearse your limitations, you need to switch gears. God knew you were limited when He called you. You serve an unlimited God. He will make you strong where you're weak. Acknowledge your limitations, then ignore them and move swiftly with God as your compass.

At the outset of Solomon's reign as king, he consulted God because he realized he was ill-equipped for the opportunity set before him. His father, David, left him a strong kingdom, but it was too big a task for his intellect and strength alone. The opportunity of a lifetime must be seized in the lifetime of the opportunity. If you dismiss an opportunity because it's something you've never done, it could be gone forever. Most Christians are the slowest people on the face of the Earth. They take years to do things that can be done in days and

disguise their excuse with prayer.

*The Lord himself will fight for you. Just stay calm. Then the Lord said to Moses, "Why are you crying out to me? Tell the people to get moving!"*  
**EXODUS 14:14-15**

Moses didn't feel capable of leading the Israelites out of Egypt, but God already told him He would make him as God to Pharaoh. He gave Moses a rod, and when it came time for him to move, God wasn't interested in whether Moses felt capable. God works with people who move. Discover what God has called you to do, acknowledge your dependence on Him, allow Him to help you, and do it— ninety percent of the task is simply moving forward.

### 3. Secure Your Throne Swiftly

*Then, at the king's command, Benaiah son of Jehoiada took Shimei outside and killed him. So the kingdom was now firmly in Solomon's grip.*  
**1 KINGS 2:46**

Solomon swiftly secured his throne. Quickly securing your throne looks different for everyone, but one thing is consistent: It requires you to do what God tells you to do. Stop dragging your feet and move!

In 1 Kings 2:13-46, Solomon had a Godfather Part 1 moment. He took everyone out. As soon as David died, Solomon killed or removed everyone who was disloyal to his father. There's a principle there: Don't keep people around you who are interested in your downfall.

Address any spiritual and physical threats. Empty your alcohol cabinet. Remove counterproductive partners or employees. Get rid of people and things that pose a threat to your forward advancement.

### 4. Make Building God's House Your Top Priority

*It was in midspring, in the month of Ziv, during the fourth year of Solomon's reign, that he began to*

*construct the Temple of the Lord. This was 480 years after the people of Israel were rescued from their slavery in the land of Egypt.*

**1 KINGS 6:1**

Solomon added his wealth to the resources his father accumulated and built a magnificent temple to centralize worship and reinforce his spiritual identity.

More Christian millionaires will emerge within the next four years than in the history of Christianity. So, settle it now that you won't allow wealth to take the place of God.

*But thou shalt remember the Lord thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day.*

**DEUTERONOMY 8:18**

*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you*  
**MATTHEW 6:33**

It's God who gives you the power to make wealth, and His Kingdom must come first. There's a mighty river of wealth and success coming our way, but if you don't determine ahead of time how to move in this flow, it'll sweep you away. Don't be the guy who goes missing from church for weeks on end because your business took off.

God is not complicated to figure out. He wants to be first. He wants the first ten percent of your income, the first day of a new week, your firstborn child, and the first of your livestock. You must continually prove He's first in your life.

What will you do when God prospers you? When you hit the \$10 million level, will you still give a \$500 offering? You must give abundantly, in proportion to how God has blessed you now, or you'll end up a rich cheapskate. As your wealth grows, your responsibility and overhead grow. It won't be any easier to tithe when God blesses you with \$100,000 than it will be when you have \$1 million. If you don't start tithing now, you'll never tithe.

Decide to build God's house as God builds you. When God finds someone He can use as a channel to build His Kingdom, finances never stop flowing. I may fly a jet, but I give jet-sized offerings. Solomon offered 1,000 burnt offerings to the Lord when the requirement was seven.

**5. Establish a Royal Palace**

*Solomon also built a palace for himself, and it took him thirteen years to complete the construction. One of Solomon's buildings was called the Palace of the Forest of Lebanon. It was 150 feet long, 75 feet wide, and 45 feet high. There were four rows of cedar pillars, and great cedar beams rested on the pillars.*

**1 KINGS 7:1-2**

*Prepare thy work without, and make it fit for thyself in the field; and afterwards build thine house.*

**PROVERBS 24:27**

The Bible describes Solomon's palace at length, but notice Solomon built God a temple first, then built himself a palace. Likewise, Nehemiah built the walls of Jerusalem first, then built himself a house.

*A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just.*

**PROVERBS 13:22**

God is in favor of lavish provision for you and your family, but you must keep His Kingdom as your first priority. When Revival Today received the first \$1 million seed in 2016, I could have easily and legally designated \$800,000 to buy a mansion-sized parsonage. I had been in ministry for fourteen years, living in apartments. That could have been my time to cash in, but I did the exact opposite. I gave \$550,000 to other ministries and used what was left for crusades. I didn't increase my salary. But eight years later, we were given a fully furnished home and vehicle, all because I made building His Kingdom my sole focus.

Don't pretend to put Him first. Your money reflects your heart. Whatever you spend the most money on is what you care for

the most. If you want to see the blessing of Abraham manifest in your life, it requires you to sow an Isaac-like seed.

**6. Expand Trade and Commerce**

*Each year Solomon received about 25 tons of gold. This did not include the additional revenue he received from merchants and traders, all the kings of Arabia, and the governors of the land.*

**1 KINGS 10:14**

Solomon expanded trade and commerce by devising new income streams, including tax and labor, to finance his building projects and maintain the kingdom's wealth. Through trade, taxation, and gifts, Solomon amassed vast wealth and turned Israel into one of the most prosperous nations at the time.

Stop waiting for your harvest, and just harvest. You should be able to explain why you expect 2025 to be your best financial year without using ethereal terms like "I feel" or "I received a prophetic word." You should have a business plan to generate money that even unbelievers understand.

Expand your business and multiply your wealth. Find more avenues to make money. When people don't expand, they're blindsided when the one opportunity they have is cut off. You should never have one stream of revenue because if something goes wrong, you'll lose everything. Make yourself tough to take out like eight arms of an octopus. Don't rely on one endeavor that will go belly up if there's a shift in the economy. Multiple revenue streams empower you to increase. President Donald Trump being in office won't increase your standard of living, but it will enable you to seize opportunity in a good economy.

*The king had a fleet of trading ships of Tarshish that sailed with Hiram's fleet. Once every three years the ships returned, loaded with gold, silver, ivory, apes, and peacocks. So King Solomon became richer and wiser than any other king on earth. People from every nation came to consult him and to hear the wisdom*

*God had given him. Year after year everyone who visited brought him gifts of silver and gold, clothing, weapons, spices, horses, and mules.*  
**1 KINGS 10:22-25**

## 7. Form Strategic Alliances

*So Hiram supplied as much cedar and cypress timber as Solomon desired. In return, Solomon sent him an annual payment of 100,000 bushels of wheat for his household and 110,000 gallons of pure olive oil. So the Lord gave wisdom to Solomon, just as he had promised. And Hiram and Solomon made a formal alliance of peace.*  
**1 KINGS 5:10-12**

Solomon formed strategic alliances with other leaders, including King Hiram of Tyre, to import valuable resources such as cedar and gold. King Hiram was not a Jew. Most Christians don't make money because they refuse to work with anyone who doesn't believe exactly like they do. Sometimes, they can't even work with other Christians because they focus on doctrinal differences instead of common beliefs. Idiots look for difference; leaders look for commonality. Solomon never compromised his morals to work with King Hiram.

Marrying Adalis and developing relationships with Evangelist Dag Heward-Mills, Pastor Paul Enenche, and Bishop David Oyedepo has broadened my world. I met these people because I refused to be confined to a denomination bubble within my country. I reach out to the world to obtain a global perspective.

Expand your relationships. Some people are stuck in a small group. Get close with people outside of your familiar circles who know how to do something you'd like to learn. Develop a wide circle of friends.

## 8. Create a Skilled Workforce

*Then King Solomon conscripted a labor force of 30,000 men from all Israel. He sent them to Lebanon in shifts, 10,000 every month, so that each man would be one month in Lebanon and two months at home. Adoniram was in charge of this labor force. Solomon also*

*had 70,000 common laborers, 80,000 quarry workers in the hill country, and 3,600[e] foremen to supervise the work. At the king's command, they quarried large blocks of high-quality stone and shaped them to make the foundation of the Temple. Men from the city of Gebal helped Solomon's and Hiram's builders prepare the timber and stone for the Temple.*  
**1 KINGS 5:13-18**

Solomon created a skilled workforce. Build a winning team. It doesn't matter how strong or anointed you are, there's very little you can accomplish alone. Adalis multiplied the ministry by 100 times, and when our head administrator, Magalis, joined us, the ministry multiplied by 1000 times. Don't be an isolationist.

*Solomon also had twelve district governors who were over all Israel. They were responsible for providing food for the king's household. Each of them arranged provisions for one month of the year.*  
**1 KINGS 4:7**

Solomon appointed governors to manage resources and maintain order. He organized labor forces, made up of Israelites and foreigners, to execute construction projects and ensure efficiency and quality.

## 9. Solomon Demonstrated Leadership to Maintain Peace

*When all Israel heard the king's decision, the people were in awe of the king, for they saw the wisdom God had given him for rendering justice.*  
**1 KINGS 3:28**

In 1 Kings 3, two women sought King Solomon's counsel after having agreed to eat each other's child, despite living in the most economically prosperous time in world history. No matter how good things are, there will always be foolish people. Solomon settled the dispute without turning it into a kingdom-wide scandal. Deal with problems wisely. Don't allow idiots around you to mess up this favorable time.

*Solomon's dominion extended*

*over all the kingdoms west of the Euphrates River; from Tiphshah to Gaza. And there was peace on all his borders.*  
**1 KINGS 4:24**

Solomon ruled in peace, avoided major wars, and focused on internal growth and relations. Obtain and maintain peace. There will always be problem people in the world, but they don't have to live in your house, work at your church, or be on salary in your business. God will help you achieve the most peaceful year you've ever had.

## 10. Stay Connected to Revival

*The Lord was very angry with Solomon, for his heart had turned away from the Lord, the God of Israel, who had appeared to him twice. He had warned Solomon specifically about worshipping other gods, but Solomon did not listen to the Lord's command. So now the Lord said to him, "Since you have not kept my covenant and have disobeyed my decrees, I will surely tear the kingdom away from you and give it to one of your servants."*  
**1 KINGS 11:9-11**

Solomon was connected to revival most of his life. The only time he wavered was when he married foreign wives and allowed his heart to be turned away from God. Don't disconnect with God. Keep your life connected to revival and the building of God's Kingdom. Keep your life and your enterprise flowing into the Kingdom. It's what made Solomon the richest man who ever lived. He used his riches and wisdom to build God a temple, but when he strayed from his objective, he ran into trouble.

Never allow yourself to be disconnected from God. Your service is to God, not man. Make it your mission to hear God say, "Well done, good and faithful servant. Enter into the joy of the Lord." Keep your life connected to revival and finish well.

# A FINANCIAL NEW DAWN:

WHAT TO DO WITH YOUR MONEY IN THE  
**TRUMP**  
- ERA -

*By Jonathan Shuttlesworth*

The only financial advice most Christians receive is to save up, obtain a good credit rating, and accumulate good debt, but that's not what the Bible teaches.

*Look here, you rich people: Weep and groan with anguish because of all the terrible troubles ahead of you. Your wealth is rotting away, and your fine clothes are moth-eaten rags. Your gold and silver are corroded. The very wealth you were counting on will eat away your flesh like fire. This corroded treasure you have hoarded will testify against you on the day of judgment. For listen! Hear the cries of the field workers whom you have cheated of their pay. The cries of those who harvest your fields have reached the ears of the Lord of Heaven's Armies. You have spent your years on earth in luxury, satisfying your every desire. You have fattened yourselves for the day of slaughter. You have condemned and killed innocent people, who do not resist you.*

**JAMES 5:1-5**

*Don't grumble about each other, brothers and sisters, or you will be judged. For look—the Judge is standing at the door!*

**JAMES 5:9**

The book of James specifically addresses those in power who deprive people of their wages. This year, we will witness a wealth transfer from the wicked to the hands of the righteous. You can be broke under any administration, or you can prosper in any administration—the choice is yours. **Nothing will change if you don't change.**

## **MOVES TO MAKE & MINDSETS TO HAVE IN 2025**

### **1. Steward God's Money Well**

*The trustworthy person will get a rich reward, but a person who wants quick riches will get into trouble.*  
**PROVERBS 28:20**

*But people who long to be rich fall into temptation and are trapped by many foolish and harmful desires that plunge them into ruin and destruction.*

**1 TIMOTHY 6:9**

Christians should not lust after money. Never long for things that don't belong to you. If your obsession is riches, you'll never have enough. Be content! Adhere to God's stewardship principles and you will experience increase.

### **2. God Demands Multiplication**

Matthew 25 outlines God's expectation for us—multiplication. In the parable Jesus told, He likened the Kingdom of Heaven to a master who praised the servants who multiplied what was given to them and rebuked the servant who did nothing with what he was given.

*"Then the servant with the one bag of silver came and said, 'Master, I knew you were a harsh man, harvesting crops you didn't plant and gathering crops you didn't cultivate. I was afraid I would lose your money, so I hid it in the earth. Look, here is your money back.' "But the master replied, 'You wicked and lazy servant! If you knew I harvested crops I didn't plant and gathered crops I didn't cultivate, why didn't you deposit my money in the bank? At least I could have gotten some interest on it.' "Then he ordered, 'Take the money from this servant, and give it to the one with the ten bags of silver. To those who use well what they are given, even more will be given, and they will have an abundance. But from those who do nothing, even what little they have will be taken away. Now throw this useless servant into outer darkness, where there will be weeping and gnashing of teeth.'*

**MATTHEW 25:14-30**

You gain God's approval by using His money well, but mismanaging it leads to His wrath. Most Christians live in fear of lack, so they save and hide their money instead of using

it to generate increase. God views this as wicked and lazy. Any plans made in fear are bad plans! I would rather die than live on dehydrated tribulation meals. Faith gives you the platform to multiply money. God rewards good work with more work.

### **3. Work a Consistent Endeavor That Produces Money**

*Wealth from get-rich-quick schemes quickly disappears; wealth from hard work grows over time.*

**PROVERBS 13:1**

*Work brings profit, but mere talk leads to poverty!*

**PROVERBS 14:23**

*Make it your goal to live a quiet life, minding your own business and working with your hands, just as we instructed you before*

**1 THESSALONIANS 4:11**

There's no time to sit around commenting on what other people do when you're busy producing. Learn to mind your business. That doesn't mean you have to be quiet; it means you should have **a business to mind**. You should contribute to society in some way—there's no excuse not to. Money isn't a mystery; it's a reward for services rendered. God will anoint the work of your hands. The Bible says a man who doesn't work shouldn't eat!

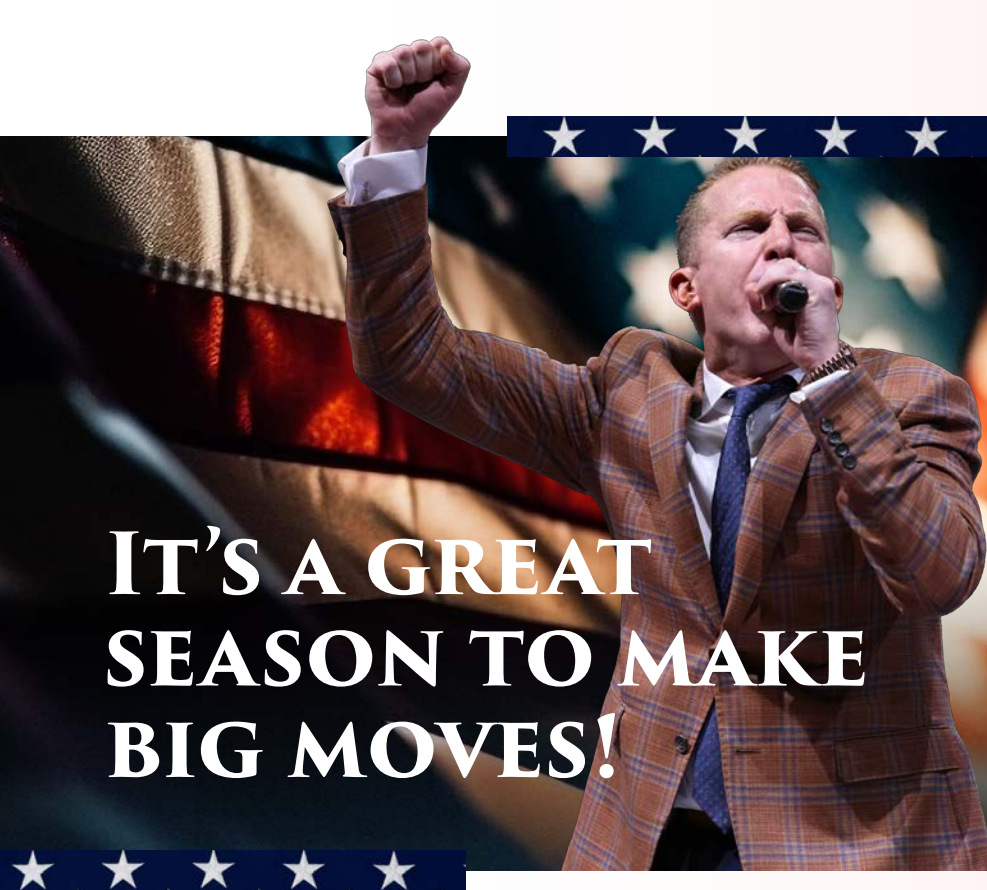

### **4. A Fool Spends Everything He Gets**

*The wise have wealth and luxury, but fools spend whatever they get.*  
**PROVERBS 21:20**

Sin destroys wealth, but godliness is a platform for wealth. By never picking up a cocaine habit or gambling addiction, you've naturally saved money. While the world is drinking, you should be thinking!

**Increase your income and decrease your expenses.** If your job is seasonal, find another

# IT'S A GREAT SEASON TO MAKE BIG MOVES!

endeavor in the off-season. **God will anoint your mind to think your way out of any problem.**

If your financial situation has you to waking up in a panic, praying in tongues to make it through the day, you aren't making the right moves. Remove the source of stress from your life.

Begin where you are and trust God to increase you. It's better to live in a small apartment with peace than a huge house addicted to anxiety medication to help you cope with your debt.

## 5. Life and Money Are Not Static—They're Dynamic

*But after a while the brook dried up, for there was no rainfall anywhere in the land. Then the Lord said to Elijah, "Go and live in the village of Zarephath, near the city of Sidon. I have instructed a widow there to feed you."*

**1 KINGS 17:7-9**

*Any enterprise built by wise planning, becomes strong through common sense, and profits wonderfully by keeping abreast of the facts.*

## PROVERBS 24:3-4

Things change rapidly. Working the same job until retirement is a thing of the past. Off-season work, lay-offs, and company closures are commonplace in today's world. Don't be someone who received one instruction early in life and stayed stuck there. What once worked might not work now. **You must continually reevaluate what you're doing and how you're doing it.**

Believing is not a substitute for having a plan. This ministry places heavy emphasis on spiritual leading, but we don't substitute it for wise planning, common sense, and staying abreast of the facts. Your source of truth and facts matters. Anyone who claims we need to make bomb shelters and hunker down is speaking against what the Bible teaches. Be certain of your source of information.

## 6. Giving Is No Substitute for Working; Working & Saving Are No Substitute for Giving

You must incorporate giving, hard work, and planning to prosper. God will give you a plan in the anointing.

You don't have to pick one or the other.

## 7. Be Educated and Aggressive with Your Money

*Send your grain across the seas, and in time, profits will flow back to you. But divide your investments among many places, for you do not know what risks might lie ahead. Farmers who wait for perfect weather never plant. If they watch every cloud, they never harvest.*

**ECCLESIASTES 11:1-4**

*Plant your seed in the morning and keep busy all afternoon, for you don't know if profit will come from one activity or another—or maybe both.*

**ECCLESIASTES 11:6**

Don't put everything you own in one investment—always diversify. Create multiple streams of income. Make moves and take risks! The younger you are, the more aggressive you should be. As you get older, your risk taking should slow down.

## 8. Specific Actions to Take with Your Money

There is risk involved with any investment, but this is what has worked for me. I have some money in a checking account but I also use two apps: Robinhood and Autopilot. Autopilot is an easy and inexpensive way to invest. The annual subscription is \$100, and the minimum investment is \$500. If investing makes you nervous, pretend your initial investment is being spent on a material good. If you spend \$300 on a pair of shoes, that money is gone, but when you invest it, the money can quickly turn into \$425. A good rule of thumb for selling is, "If it's good enough to screenshot, it's good enough to sell."

You don't wait for prosperity; you make moves. Having President Trump in office won't put more money in your pocket, but it does make it much easier to prosper. If you don't work a job, it doesn't matter who's in office. If you're in the same place four years from now, there is a problem. **It's a great season to make big moves!**

# ELECTION NIGHT COVERAGE

NEWS

# THE PROPHETIC WORD FOR

By Jonathan Shuttlesworth

*Elisha replied, "Listen to this message from the Lord! This is what the Lord says: By this time tomorrow in the markets of Samaria, six quarts of choice flour will cost only one piece of silver, and twelve quarts of barley grain will cost only one piece of silver." 2 KINGS 7:1-2*

Most Christians spend their entire lives attending church without hearing a single message from the Lord. The Devil hates when the Word of the Lord is released. He knows when God releases a word, it's your opportunity to run with the strength of Heaven. You run with prophecy; you don't wait for it. I released the word of the Lord for 2025 two months early so you could run. Your future is not controlled by the government or the economy—it's determined by you when you believe and speak the words contained in the pages of Scripture.

When Elisha delivered a message from the Lord, the king's assistant, likely an economic advisor, felt free to speak out against God's word based on his human knowledge. It takes childlike faith to release the word of the Lord regardless of what your mind knows to be true. We walk by faith and not by sight. Act based on what the Bible says and disregard all evidence to the contrary.

*...So they went back to the city and told the gatekeepers what had happened. "We*

*went out to the Aramean camp," they said, "and no one was there! The horses and donkeys were tethered and the tents were all in order, but there wasn't a single person around!"*

**2 KINGS 7:2-10**

The wealth of the wicked is laid up for the just. When you open your eyes of faith, you'll begin to prosper. God gave the Israelites victory over the men who were attacking the children of God and transferred their enemy's wealth into their hands. You can win without fighting.

*Then the people of Samaria rushed out and plundered the Aramean camp. So it was true that six quarts of choice flour were sold that day for one piece of silver, and twelve quarts of barley grain were sold for one piece of silver, just as the Lord had promised. The king appointed his officer to control the traffic at the gate, but he was knocked down and trampled to death as the people rushed out. So everything happened exactly as the man of God had predicted when the king came to his house. The man of God had said to the king, "By this time tomorrow in the markets of Samaria, six quarts of choice flour will cost one piece of silver, and twelve quarts of barley grain will cost one piece of silver." The king's officer had replied, "That couldn't happen even if the Lord opened the windows of heaven!" And the man of God had said, "You will see*

*it happen with your own eyes, but you won't be able to eat any of it!" And so it was, for the people trampled him to death at the gate!*

**2 KINGS 7:17-20**

God's Word never fails! Everyone was starving to death, but within 24 hours, there was more food than they could sell. That's called A NEW DAWN. There was a total erasure of the problems, depression, and defeat of the past. A door came open that wiped away their days of captivity—that's what God has in store for His bride in 2025!

Here are eight manifestations of the new dawn God has in store for this year.

## **1. YOU WILL BEGIN TO LIVE IN A DREAM WORLD**

Where you are now is not where you'll stay. Keep on the path. Your path isn't stagnant. It doesn't back up or see defeat. It goes from glory to glory, victory to victory, and strength to strength.

## **2. THE BELIEVER HAS NOTHING TO FEAR**

Refuse to entertain thoughts of fear. Don't allow the media to seed fear into your heart. If it's not the show, it's the commercials. Reject it.

### 3. A DIVINE JUDGMENT ON ANY ATTEMPT TO LIMIT THE GOSPEL OR IMPEDIMENT TO THE INCREASE OF THE CHURCH

*Suddenly, there was a bright light in the cell, and an angel of the Lord stood before Peter. The angel struck him on the side to awaken him and said, "Quick! Get up!" And the chains fell off his wrists.*

**ACTS 12:1**

Dawn is the changing of darkness to light. Paul was guarded by sixteen officers while imprisoned. The stronger your persecution, the stronger your anointing. When you face persecution, it proves the Devil is worried about what's on the inside of you. I knew Revival Today Church would become a large church when I saw everyone freak out, but no amount of persecution can defeat God's plan for your life.

Pharaoh went to sleep in charge and mighty, but he woke in tears when he discovered Egypt's strength had been shattered. God is going to shatter the teeth of the wicked. Those who want to see Christianity removed from America will have a terrible year, but those on the winning side will have the help of God leading them toward their destinies. Celebrate ahead of time. You're not trying to get the victory you have it!

### 4. RAPID PROMOTION

*And Pharaoh said to Joseph, Forasmuch as [your] God has shown you all this, there is nobody as intelligent and discreet and understanding and wise as you are. You shall have charge over my house, and all my people shall be governed according to your word [with reverence, submission, and obedience]. Only in matters of the throne will I be greater than you are. Then Pharaoh said to Joseph, See, I have set you over all the land of Egypt.*

**GENESIS 41:39-41**

Joseph was promoted to prime minister of Egypt as a convicted felon at a time when Egyptians hated Hebrews. There was someone next in line to be prime minister. Someone who was likely groomed and trained to take on the role. But some bearded felon came out of prison, borrowed a razor, and took the job from a man who had been preparing for it his entire life.

That happens all the time by the Holy Ghost, and it will become commonplace for God's people in 2025. God will pass over others to get to you when you please Him. There is divine promotion in your future.

When God favors you, it confuses the world. The world only knows how to kiss up, angle, and persuade, but in one night the word of the Lord can take you from prisoner to prime minister. When God smiles on you it makes up for everyone who's ever frowned on you.

Promotion comes from the Lord. A divine door will open on your behalf in the name of Jesus Christ!

### 5. A NEW GENERATION OF PREACHERS WHO CARRY A NEW STRENGTH

*The Lord said to Samuel, How long will you mourn for Saul, seeing I have rejected him from reigning over Israel? Fill your horn with oil; I will send you to Jesse the Bethlehemite. For I have provided for Myself a king among his sons.*

### 1 SAMUEL 16:1

This new generation won't just carry a new strength but a hatred for sin and the work of the Devil. They'll go into the darkest places, bring the light of God, and possess a desire to bless their generation.

Some preachers became comfortable with God and took Him for granted. They enjoyed the lavishness that God provides from the blessing and fell into sin and conformed to the pattern of this world. But God has a horn full of oil that He's pouring out on the heads of a new generation. God will put cities, villages, and nations in the spirits of His servants, and they will take ground for Jesus.

There will be preachers from the older generation who have kept themselves pure who will be given a new strength. God has not forgotten about America, Canada, or Europe.

### 6. A NEW PROSPERITY

*During the lifetime of Solomon, all of Judah and Israel lived in peace and safety. And from Dan in the north to Beersheba in the south, each family had its own home and garden*

**KINGS 4:25**

Wicked leadership has corrupted the flow of wealth, but wealth is about to change directions. God is going to bless common people who serve Him. The wealth of the wicked will flow back into the hands of the just.

## HOW TO PREPARE FOR A NEW DAWN

### 1. EXPECT INCREASE

*Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes; Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes;*

**ISAIAH 54:2**

God never stops increasing. The Church in the last days will be like a noble gas—it will fill any place built to contain it. It will be impossible to build structures large enough to house the Church of the Lord Jesus Christ.

This doesn't just apply to The Church. You are living stones in His house. Spare not—don't worry about money. Your Father is El Shaddai.

### 2. DON'T WAIT

God's wind blows when you take extreme steps toward His will for your life. God doesn't just have addition waiting for you; He has multiplication. It's your responsibility to ignore the obstacle. Act now and watch God remove everything standing in your way. Whatever God put in your heart to do—do it now!

Conditions will never be perfect, so make your move now, and God will back it. You lose more in life from indecision than from wrong decision. Get your next step from God, move immediately, and He will anoint and empower you to succeed. Stop thinking about limitations. Take a run at your giant, and you'll discover he's a big talker and a bad fighter.

# PROPHETIC INSIGHT ON WHAT 2025 HOLDS FOR AMERICA, THE CHURCH, AND THE WORLD

By EV. Ted Shuttlesworth Sr.

A prophetic word provides a vision. The Bible says, if the vision tarries, wait for it (Habakkuk 2:3). Even if things don't happen when you think they should, God is working with different streams and people to bring unification to the demonstration. When everything aligns, the demonstration God always wanted you to have will come to pass.

In 2025, God will continue to sift the wheat from the tares, as He has since 2020. God will judge His Church first, meaning the next judgment will fall upon the world.

Even as The Church has faced pandemics, accusations, corruption in government and within The Church itself, and every evil you can imagine, God is building a Temple not made by the hands of man. You are God's temple, and He will rebuild you and make the Devil give back everything he stole from you and restore it seven times.

*And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone; In whom all the building fitly framed together groweth unto an holy temple in the Lord: In whom ye also are builded together for an habitation of God through the Spirit.*

**EPHESIANS 2:20-22**

The Church was built upon apostles and prophets. Haggai and Ezra were prophets anointed by the Holy Spirit to stir the hearts of three kings, Cyrus, Artaxerxes, and Darius, to rebuild the Temple. All three kings ruled within the same region, and all agreed to release the Jewish people from captivity to relocate to their homeland. But they couldn't get to where they needed to be positionally and conditionally until the Temple was rebuilt.

The ministry gifts will be used to rebuild what Jesus, the Chief Cornerstone, wants accomplished. God has begun to merge The Remnant into the true Temple—the building fitly framed by the work of Christ—through ministry gifts

into an eternal habitation.

## Five-Fold Phase of the Church in 2025

### 1. God's Vision Will Come to Pass

*And now for a little space grace hath been shewed from the Lord our God, to leave us a remnant to escape, and to give us a nail in his holy place, that our God may lighten our eyes, and give us a little reviving in our bondage.*

**EZRA 9:8**

A brightening of the eyes causes vision to become more illuminated. The Remnant refers to those Ezra was able to influence to help and give towards the rebuilding. This year, we need God to brighten our eyes to see what He's doing.

The true spirit of prophecy is exhortation, edification, and comfort, which brings a spirit of peace. Ezra's words not only brought great comfort, exhortation, and edification but also joy, according to Nehemiah 9. The great shout in the rebuilding of God's house led him to proclaim the joy of the Lord is your strength!

There will come tremendous joy when the true Church shouts the victory of God. Platform etiquette might dissipate. Preachers may begin dancing before the Lord before the sermon begins. God will use demonstration to clear out the evil religious spirit and expose you to the pure power of the Holy Spirit.

God is releasing strength into the office of the prophets and apostles to raise up new churches and speak a sure word of prophecy. The true test of prophecy is the testimony of Jesus Himself.

This revival shall exponentially increase in 2025. It will be so expansive, that you'll think everyone got saved. It will penetrate the world like in the Old Testament with King Cyrus and Artaxerxes.

### 2. God Will Stir Hearts and Spirits through a Word Delivered by His Prophets

Years passed before Ezra connected with Nehemiah, but the prophets were with the people to help them. When you see and speak the Word, it breaks things loose in the realm of the spirit.

In all three books of the Bible, the Spirit stirred the hearts of people to rebuild the Temple.

*Now in the first year of Cyrus king of Persia, that the word of the Lord by the mouth of Jeremiah might be fulfilled, the Lord stirred up the spirit of Cyrus king of Persia, that he made a proclamation throughout all his kingdom, and put it also in writing, Thus saith Cyrus king of Persia, The Lord God of heaven hath given me all the kingdoms of the earth; and he hath charged me to build*

*him an house at Jerusalem, which is in Judah. Who is there among you of all his people? his God be with him, and let him go up to Jerusalem, which is in Judah, and build the house of the Lord God of Israel, (he is the God,) which is in Jerusalem. And whosoever remaineth in any place where he sojourneth, let the men of his place help him with silver, and with gold, and with goods, and with beasts, beside the freewill offering for the house of God that is in Jerusalem.*

**EZRA 1:1-4**

Ezra was not just a scribe; he was a prophet who received permission from King Cyrus to rebuild the Temple. Not only did he allow Ezra to begin rebuilding; he encouraged people to give offerings to fund its construction and gave of his treasury.

*And the Lord stirred up the spirit of Zerubbabel the son of Shealtiel, governor of Judah, and the spirit of Joshua the son of Josedech, the high priest, and the spirit of all the remnant of the people; and they came and did work in the house of the Lord of hosts, their God,*

**HAGGAI 1:14**

All three books also speak of a tremendous hatred toward the Jewish people, and it caused the rebuilding of the Temple to stop for a time. That same antisemitic spirit is active today—it's demonic. The Devil hates God's people, both the Jews and those who have received Christ.

The rebuilding of the Temple had come to a standstill until the prophets began to prophesy. The finished work of the modern-day church cannot take place without the ministry gifts functioning as directed by the Holy Spirit. When the nominal, secular world fell in line with the word of the Lord given by His prophets, all three kings could not resist the prophetic word.

Pulpits must be open to the prophetic word of God for this hour. The Lord declares this is the year He will begin rebuilding the Church of the Lord Jesus Christ. He's working to bring us into a place of great blessing.

### 3. The Rebuilding of the Temple Will Provoke an Attack Against the Wealth Released to Those Who Fund It

The book of Haggai begins with a rebuke.

*Now therefore thus saith the Lord of hosts; Consider your ways. Ye have sown much, and bring in little; ye eat, but ye have not enough; ye drink, but ye are not filled with drink; ye clothe you, but there is none warm; and he that earneth wages earneth wages to put it into a bag with holes.*

**HAGGAI 1:5-6**

The Jewish people had houses to go to, but no effort was made to build the house of God. They had money, but they weren't

releasing it to rebuild the house of God. Critics of the prosperity message think it doesn't work because they have a bag with holes in it. If you're not obedient in prioritizing the rebuilding of the Church, it's like putting your wealth in a bag full of holes. Prosperity isn't about the abundance of things but rather having an obedient heart.

God caused a pagan to take up an offering for His Temple because God's people refused to obey. God won't force you, but he'll stir people's spirits. King Cyrus had a heart for God even though he was a sinner.

After God spoke to Cyrus, a pagan king took up an offering and established a decree for others to give to the work of rebuilding the Temple. I believe a massive wealth transfer will take place in 2025. God will cause the Cyrus' of this world—the wealthy—to turn the money loose by decree to bless the rebuilding of what God wants rebuilt. There's a spirit of blessing that will come on people to aid in the work of the Lord to rebuild the habitation for the Spirit that will be fitly framed together.

#### 4. With the Blessing Comes Persecution

As soon as King Cyrus supported the rebuilding of the Temple, officials began to write letters accusing Jerusalem of being an evil, rebellious city. The accusations we see today mirror what happened in the book of Ezra. Those who have obeyed and been blessed by God are accused by people who think it's a sin to prosper. The Bible says, "*Yea, and all that will live godly in Christ Jesus shall suffer persecution*"

#### 2 TIMOTHY 3:12

You must understand how God operates. When you do, there's a fear of God that won't allow you to touch the anointing God is releasing on the Earth. When you're operating in the anointing, it becomes very clear that you won't get away with speaking against others. It won't go well for you. The Church has lost the fear of the Lord and strayed away from the preaching of holiness, without which no man shall see the Lord. Many people have no fear of speaking against the anointing. They risk their eternal soul by attacking others based on allegations.

Talebearing and gossiping are both sins according to the Bible. I issue this fair warning: All the social media commentators need to repent, or judgment will separate you from the Harvest.

There's an attack against television preachers and those without large platforms are commenting and spreading gossip. Many preachers are more concerned about money than speaking a sure word of Prophecy to steer a generation into the spirit of revival already working in the Earth.

If you don't have the guts to stand strong as a soldier of Jesus Christ in the most critical time in the history of the Church, while souls hang in the balance, you are worthless to the Kingdom of God. God is looking for men and women who are not ashamed of the Gospel of the Lord Jesus Christ.

Don't allow anyone to put you down because of your wealth but rather seek after God and He will multiply what you have in 2025. I see increase and blessing coming to those who are faithful to God. But I also see the Devil robbing blind those who forgot about the fear of God and holiness. Make sure to stop and count your blessings, with the understanding that the spirit of

increase will bring great wealth in 2025.

#### 5. Nations Will Shake

A whole lot of shaking will happen as God builds His Church as a holy habitation. People will fear the anointing that operates in you.

*And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the Lord of hosts.*

#### HAGGAI 2:7

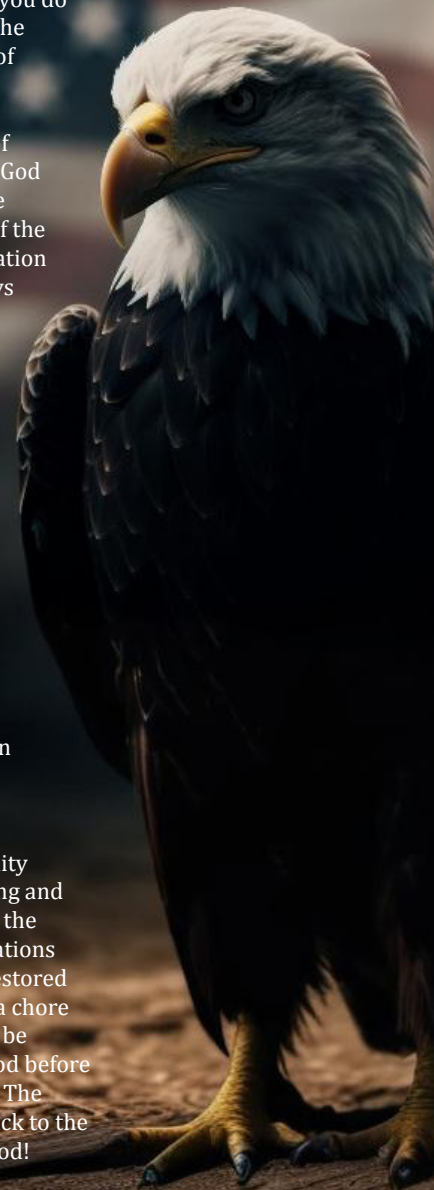

God will use you to shake nations. As His Word goes out, your gift will make room for you just as it did Ezra. Ezra was named a prophet by the king, not the church. His gift made room for him and brought him before great people because he stuck to the Word.

Jesus declared He would build His Church. This year is the year He will rebuild and revive the Remnant. It will come together quickly. Everything you do will work perfectly because the anointing is on the message of Jesus.

Ezra came from the lineage of the high priest, instituted by God Himself. He was among those who wept at the rebuilding of the Temple while the new generation shouted for joy. The Bible says the noise was so loud, you couldn't tell the difference between the old and young. The key was that they were anointed to make a loud noise unto God.

The Devil wants to stop the shout, but when God is finished rebuilding, there will follow a shouting in the camp like we've never heard before. There will be a spirit of rejoicing. Those who saw the divine moves of old will cry; and the young generation will be excited and shout for joy. That's unity.

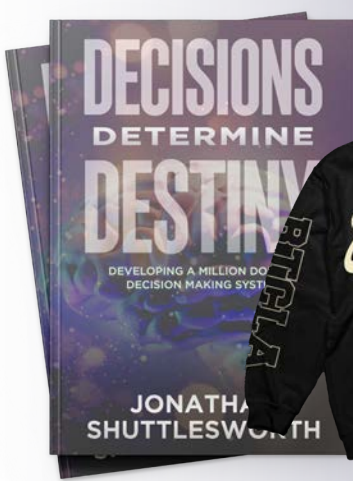

This year God will restore unity between the old and the young and it will produce a visitation of the supernatural. The demonstrations and manifestations will be restored unto the Church. It won't be a chore to attend church, people will be excited and begin praising God before they even enter the building. The rebuilding will restore joy back to the Church and the children of God!

# AN ASSOCIATION OF CONTINUED SPIRITUAL GROWTH AND FINANCIAL INCREASE

On November 22, 2024, Pastor Jonathan was ordained by Brother Jesse Duplantis at Covenant Church in New Orleans, signaling a new level in his life and ministry. In Brother Jesse's opening greeting, he acknowledged the intentionally small circle he keeps, and the blessing Pastor Jonathan and his family have been to him and his wife.

Brother Jesse recalled Pastor Jonathan's ordination was birthed from a simple but earnest question: "Do you ordain people into your ministry?" Brother Jesse reserves ordination for those he considers spiritual sons and daughters and was happy to ordain not just Pastor Jonathan but Pastor Adalis and Evangelist Camila, too.

"What you preach is how you live," Brother Jesse said to Pastor Jonathan as he asked God to bestow the same anointing on his life to Pastor Jonathan. He prophesied a billion-dollar flow over Pastor Jonathan and the ministry, noting Pastor Jonathan's willingness to work nonstop in obedience to the call on his life. He released an anointing of increase and favor and a double anointing as an evangelist and pastor to empower him to work in fivefold ministry. "People won't hear Jonathan, but God speaking through him," declared Brother Jesse. "Cause people to be amazed by the revelation that comes out of his mouth."

The ordination came with a stern warning. "You better get ready, son. You're working now, but just wait. The anointing of increase, blessing, and healing will come because I know how to transfer the anointing." Brother Jesse noted the financial increase won't just come from within the church, but from the heathen as well.

Pastor Cathy Duplantis expressed her gratitude for their relationship with the Shuttlesworth family and declared abundance would be unleashed from the throne room of Heaven over them.

As Brother Jesse transitioned to ordain Camila, he prayed the Lord would put revelation in her mouth. He declared everything she touches will prosper and asked God to visit Camila the way He visited him as a boy.

Then Brother Jesse prophesied over Pastor Adalis, "Not only will she be a great voice to women, but she'll be a great voice to the body of Christ," and likened her to Deborah, who was judge over Israel. "She'll know what to do, when to do it, where to do it, and how to do it."

Pastor Jonathan saluted Brother Jesse and Pastor Cathy for the example they've set for every minister of the Gospel and revered Brother Jesse for his relevance. "He appeals to every age group and never loses relevance. It's an anointing most people don't have."

## A DIVINE CONNECTION

As Pastor Jonathan took the platform to preach, he began by honoring his father, Evangelist Tiff Shuttlesworth. He continued by fondly recalling how he first became familiar with Brother Jesse while in Bible college. They met for the first time when Pastor Jonathan attended one of Brother Jesse's meetings in Scranton, Pennsylvania. Pastor Jonathan admired the way Brother Jesse had broken the system designed to keep him small, as well as his boldness while preaching during COVID.

Shortly after connecting with Brother Jesse, he began to experience great financial increase. What set Revival Today on a trajectory of unprecedented growth was his decision to send their tithe of \$65,000 to Brother Jesse's ministry. He wanted to sow to someone who believes and preaches on the hundredfold return.

Brother Jesse called two days later to thank Pastor Jonathan for his seed and asked him, "What are you believing God to do for you?" Brother Jesse prayed for a hundredfold return and stood in agreement that God would do everything he was believing for now. Then he prophesied a million-dollar donor and a plane on the way.

The same week, Revival Today received checks for \$50,000 and \$200,000. After witnessing such a rapid increase, he decided to try it again. He sent Brother Jesse the tithe from the checks he received. Pastor Adalis took the podium to testify that a short time later, Revival Today received three million-dollar donors and a ministry jet. In addition, Pastor Adalis was gifted a new vehicle and a fully furnished home for free, just as Brother Jesse had prophesied to her months earlier.

The connection between the Shuttlesworth and Duplantis families is an illustration not only of God's goodness but of the importance of sowing into fertile soil.

# REPORT FROM THE WHITE HOUSE

I'd like to thank Pastor Paula White for inviting Adalis and I to The White House to help generate policies that will reinstate freedom to religious institutions. Bible colleges, churches, ministers of the Gospel, and Christians across the nation will no longer be forced to appear in court to live out their faith. This occasion was not a photo op—this was a gathering of champions, invited by an administration committed to working with The Church to ensure:

1. The protection of religious freedom is upheld without legal battles.
2. Faith-based organizations are free to operate without fear of government

interference.

3. All policies respect and honor the convictions of religious communities.
4. Our nation always remains a place where practicing one's faith is free from legal challenges.
5. The end of litigation against religious institutions for adhering to their beliefs.
6. A harmonious relationship between government policies and religious practices.
7. Faith communities can flourish without the threat of legal repercussions.
8. Religious expressions are

safeguarded by law.

9. Our society enables faith-based entities to serve without legal hindrances.

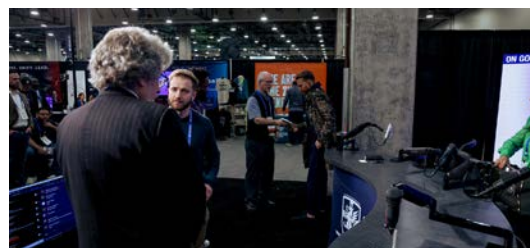

10. The elimination of court cases against religious groups for living out their faith.

**To all of our Revival Today partners and friends: You now have a voice at the highest level in the nation.**

## GOD IS ABLE!

My youngest brother had suffered from epilepsy for 10 years. Dehydration caused him to fall and hit his head during a race when he was in the 8th grade. His central nervous system has gradually declined ever since. He could not recollect memory, understand speech, or maintain his balance. He couldn't control his movements in any way, shape, or form. Worst of all, he couldn't sleep. Every ten minutes or so he would have a seizure or twitch. He could not enjoy the REM state of sleep because he would suffer a major attack every few hours. It was an oppression of the Devil. My parents hadn't had a good night's sleep in ten years. They had to alternate every hour to ensure my brother's safety. We attempted to teach my brother the Word of God and pray with him, but he just wasn't there. My brother, a former presidential honor roll student, was reduced to a second-grade memory.

When we heard that Pastor Jonathan was going to be in Los Angeles, it was an answer to prayer. We began to believe that my brother's oppression would end in that meeting. We arrived expecting and believing the Lord for a miracle. We came prepared and full of faith. We had just completed 21 days of prayer and fasting with Revival Today Church, and we prepared a special offering to the Lord as proof of our expectation of the miracle He was going to perform.

During the meeting, Pastor Jonathan spoke to every member of my family, and the word of knowledge he delivered for my brother was spot on. It was so accurate. He said that the Lord would restore his speech, his movement, and everything the enemy had stolen from him. Pastor Jonathan then asked my brother if he wanted prayer, and he responded and said yes! Then, he stood without assistance! Both acts were things my brother was unable to do. The Lord touched him.

My family and I were amazed. We went home rejoicing and praising God. That night he was able to sleep longer than he'd ever been able to since the accident! You could see the spirit of peace upon his life. We're so excited to see what God has done and how He will continue to restore my brother completely, from the top of his head to the soles of his feet. His bodily function, memory, intellect, everything is coming back to him, and we give God all the praise, glory, and honor.
