

# Rest Assured at Lafayette Flats

~ Our professional cleaners are going above and beyond during this important time exceeding guidelines to clean & disinfect.

~ The bed linens, bath towels and kitchen clothes at Lafayette Flats are professionally laundered at the highest temperatures.

~ To protect our cleaners and our guests, we block one day before and after each reservation to ensure enough inactive time between visitors.

~ There's no need for social interaction or key exchange at check-in or check-out. We use electronic door codes at Lafayette Flats.

~ Each flat has its own heating & cooling unit and ductwork.

~ We will provide a list of Fayetteville restaurants offering carry-out and outdoor dining. You can also bring groceries or schedule a pickup at one of our two grocery stores; all four Flats have small but complete kitchens.

~ We will also provide a list of lesser-known hiking trails to encourage social distancing while you explore.

~ Have a look at our 400+ five star reviews on Vrbo.com. We take great pride in our cleanliness and guests notice.

Please call us at 304-900-3301 if you need help scheduling a stay, or visit our Vrbo.com listing below for more information.
