

WOMEN'S sports museum

Launch Party

SATURDAY, NOVEMBER 16, 2019 • 6:30 PM • SARASOTA YACHT CLUB

The Women's Sports Museum was sparked by several local athletes and key members of the community. The initial concept was to build a museum dedicated to one sport, but once WSM's founding board members learned that there wasn't a single museum in the world dedicated solely to women in sports – **the focus changed.**
