# Sense of Land

## CHOICEBOARD

Choose an activity from the choice board to talk or write about.

<p>How would you feel if a park you loved became damaged or polluted?</p> <p>What is one way you can help care for the land around you?</p>	<p>What does "Mother Earth" mean to you?</p>	<p>What do you think people can learn from Indigenous ways of caring for land?</p>	<p>Why do you think it's important to listen to Indigenous stories about the land?</p>
<p>Why might it be important to know the original Indigenous names of places?</p>	<p>Why should we learn about how others care for the earth?</p>	<p>How would you explain "reconciliation" to someone else?</p>	<p>Why is it important to have places where nature is protected?</p>
<p>What might animals in a park need from humans?</p> <p>How do you think pollution affects the animals in a park?</p>	<p>What plants or animals do you think are important in a park? Why?</p>	<p>Why might Indigenous voices be important in taking care of the land?</p>	<p>Why might people's names for places change over time?</p>
<p>What are some ways you can protect nature at school?</p>	<p>Why is it important to know the history of the land where we live?</p>	<p>What is one lesson about land you would like to pass on to others?</p>	<p>How would you show gratitude to the land?</p>
<p>What is one thing you learned about Indigenous perspectives?</p>	<p>Why is it important to leave some spaces untouched by humans?</p>	<p>How can learning about nature help us be better friends?</p>	<p>What is something you want to know more about when it comes to nature and land?</p>
