

# Pure Pose PRICELIST

The sitting fee for a professional portrait session with Pure Pose is \$150.

Portraits are then purchased after your session during a design appointment where you can view all your images, select your favourites and design products to suit your home. With **no minimum order requirement**, it is entirely up to you how much you wish to invest on your portraits.

**Every product purchase comes with a complimentary digital copy**, perfect for sharing online with friends and family! **Invest \$1950+ to receive complimentary digital copies of all portraits from your session.**

## AFFORDABLE PAYMENT PLANS

We understand that as a professional service, photography can be a bit of an investment. To assist with affordability, we offer **interest free payment plans** which require a minimum deposit of just 10%. Best of all, we offer a **take-home** option allowing you to enjoy all your purchased portraits whilst you pay them off!
