

Sarah

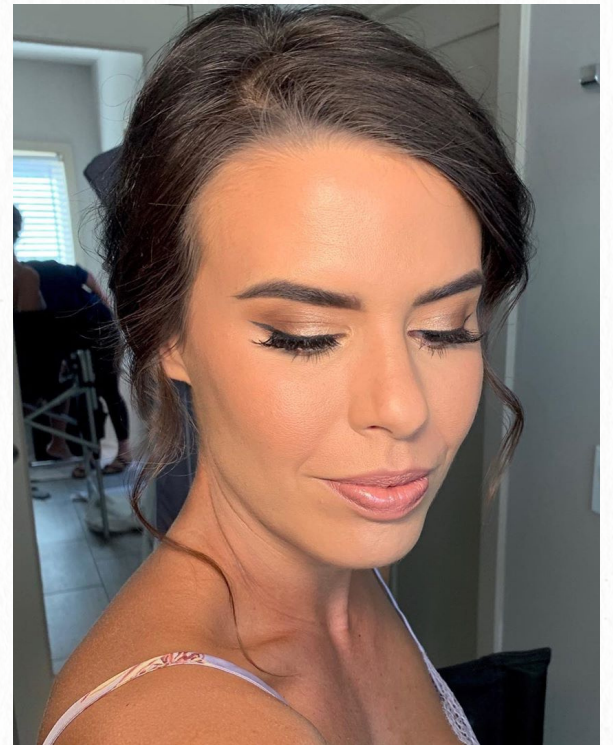

### Makeup Artist

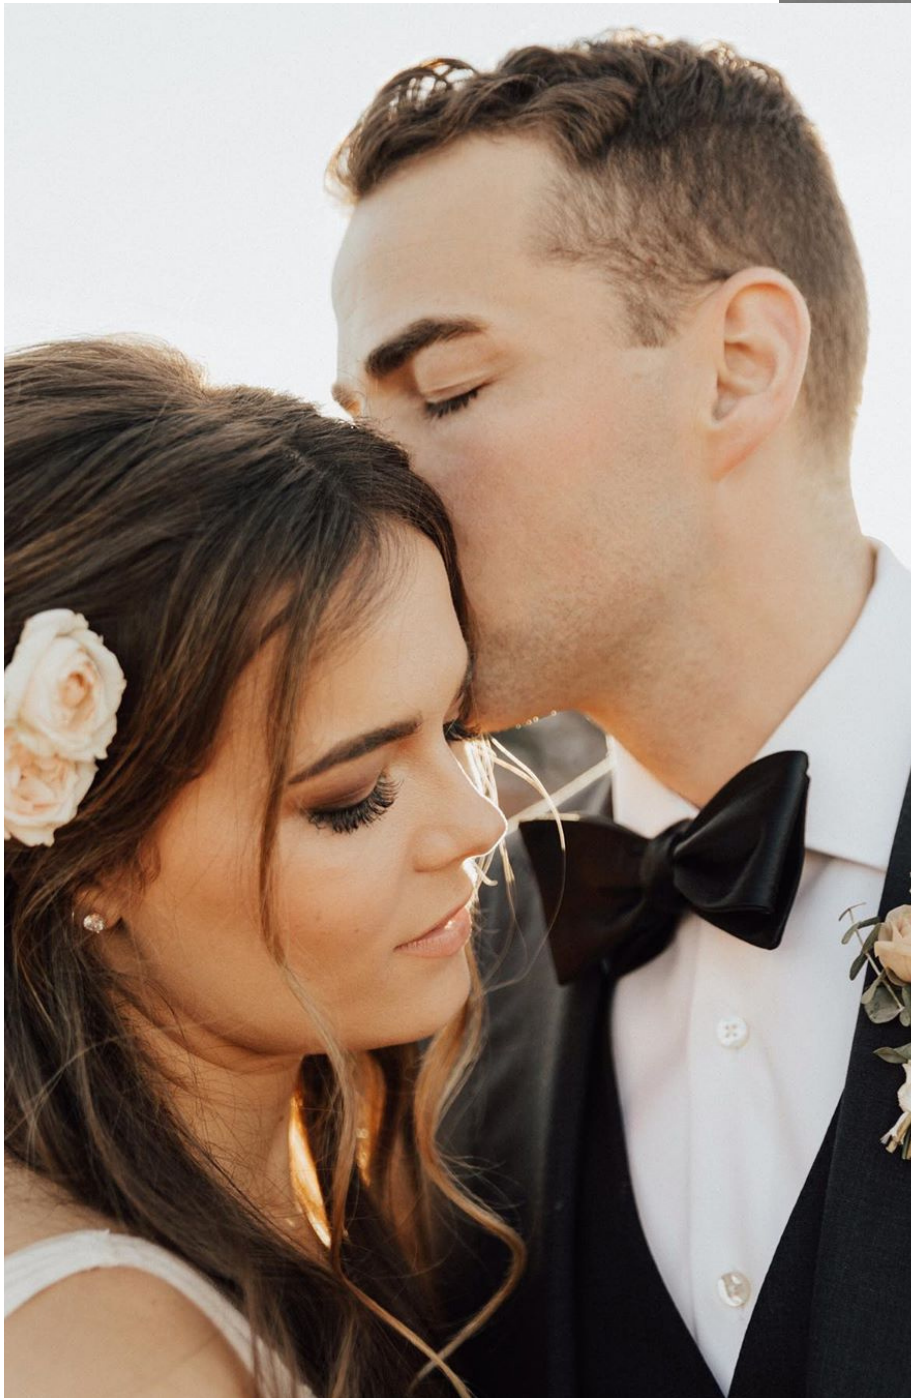

Sarah entered The Skin and Makeup Institute as a student who was a self taught dreamer. She left as a determined professional with the ability to accentuate features rather than apply the latest makeup trends. Her favorite part of working with brides is the energy of a wedding day, so full of love. Nothing makes her happier than making others feel confident and beautiful. Sarah is currently working on receiving her esthetics license too.

Sedona Beauty Team listened to what we asked for and provided us with more than we could have ever hoped! Our hair held up throughout the evening and our makeup didn't smudge, or come off on anyone I hugged! The level of professionalism and the value for the work done was truly beyond anything I could have hoped for. Book with Sedona Beauty Team now if you are on the fence; trust me, book with them and have peace of mind.

Love, Sarah
