### Information Memorandum

Date: June 7, 2019

To: All County Human Services Directors

From: Ann Rosales, Director - Division of Child Welfare

Title: Fiscal Year (FY) 2019-20 Provider Rate Increase

Regarding: Provider Rate change for FY 2019-20

Key Words: Provider Rate

Number: IM-CW-2019-0030

The purpose of this memorandum from the Division of Child Welfare is to inform county departments of the change in base anchor rates effective July 1, 2019.

The Department received an appropriation for the provider rate increase in the amount of \$10,350,000 for FY 2019-20. The Department has chosen to apply this funding to fully implement the rate increase for the administrative components of CPAs, and to continue funding rate increases for both accredited and non-accredited RCCFs. Effective July 1, 2019, base anchor rates will change for Child Placement Agencies (CPAs) and Residential Child Care Facilities (RCCFs); *all other rates will stay the same.*

Updated rates are displayed on the pages that follow. Table 1 shows the CPA provider rates alphabetically by provider. Table 2 shows the accredited RCCF rates alphabetically by provider. Table 3 shows the non-accredited RCCF rates alphabetically by provider.

#### Action:

- In order to receive accredited RCCF rates for SFY 2019-20, all accredited RCCFs must submit proof of accreditation by June 19, 2019 to Sonja Ornelas at [sonja.ornelas@state.co.us](mailto:sonja.ornelas@state.co.us). Any RCCF that submits proof of accreditation after this date will receive accredited RCCF rates within 30 days.
- If a county chooses to negotiate rates, they cannot be negotiated below the published state base anchor rates.
- County negotiated rates will not automatically be updated in Trails since these rates override State rates.
- When counties use a negotiated rate, they **MUST** refresh fiscal to ensure Trails captures the change.

\$93.22 is the daily rate that CPAs received per child in care.

\$56.86 is Hope & Home's share (orange).

\$36.36 is passed through to the foster family (blue).

In Aug of 2019 H&H had approx. 210 kids in care. That's a monthly income of \$358,218 of government funding.

Beginning fiscal year 2019, H&H was able to operate on gov't funding alone due to these increases.
