

## ROLLER SHADES

### Roller shades

Sivoia QS roller shades complement both traditional and contemporary designs and are available in different sizes to accommodate the needs of any room. Sivoia QS shades are hard-wired solutions.

#### **Precision control**

All Lutron shades feature intelligent hembar alignment, which was designed to synchronize all automated shades in a single room, or in an entire home.

**Pocket**—recessed into the ceiling, pockets offer blackout capability for the window and a protective enclosure for the entire shade system.

**Fascia**—this decorative cover conceals the roller and is ideal for more conventional spaces as a round or a square profile.
