**STACEY@WILDWILLOWTHEORY.COM**

# HI, I'M STACEY ✨

I have been helping women feel confident in their skin for 20+ years. As a medical esthetician + makeup artist I have been honored to work with 1000s of clients making life changing moves to improve their overall skin health + daily struggles with their skin + makeup.

# WHAT IS 1:1 ✨ CONSULTING? ✨

**It's like having your own personal skincare and make-up concierge at hand, helping guide you through identifying your skin + make-up concerns.**

How does it work?

- You'll fill out a form before we meet that overviews your skincare/makeup concerns + goals.
- We'll meet via Zoom for one hour to identify your skin concerns / routine / struggles
- Review your skincare products you have in your arsenal
- See what products you may be in need of to fill in the gaps
- Set you up with a detailed Skin Care RX for morning + night
- Map out a plan of action to solve the problems that are arising
- We'll have implementation support for one month after our call

**Investment \$250.**
