*Because the moments we  
hold dearest deserve to be held  
in our hands.*

# HELLO THERE!

At Catie Ann Photography, we believe that portrait photography becomes truly valuable when it transforms into a beautiful, tangible piece that you can hold, display, and cherish. We are here to help you create not only stunning artwork for your home but also meaningful keepsakes that will be treasured by you and your loved ones for years to come.

This guide is designed to help you explore and select your favorite ways to display and enjoy your portraits. Feel free to make notes, bookmark pages with artwork that speaks to you, and prepare to see your family captured as timeless art.

*Catie*

The background of the entire image is a soft-focus photograph of three grey, textured photo albums stacked on a white, cloud-like or fabric-like surface. The top album is slightly offset to the left, the middle one is centered, and the bottom one is slightly offset to the right. The lighting is soft and even, creating a gentle, nostalgic atmosphere.

# *Traditional Albums*

Your album is more than just a collection of photos—it's a tangible story of love and connection. Each one is crafted to preserve the memories you hold most dear and becomes a treasured heirloom that sparks conversation, emotion, and nostalgia for years to come.

# CUSTOMIZING YOUR ALBUM

01

## Choose Album Size

Select from a range of timeless sizes to suit your space and style. Each one is designed to showcase your story beautifully.

02

## Choose Cover Options

From rich leathers to soft linens, personalize your album with a cover that feels just as special as the memories inside.

03

## Choose Customizations

Add custom details like embossing, engraving, or a matching keepsake box to elevate your album into a true heirloom.

# COVER OPTIONS

## *Leather*

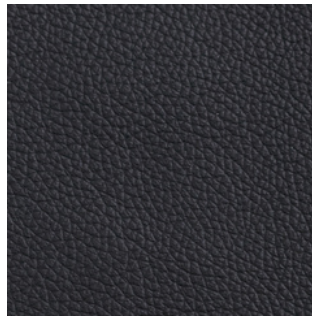

Crafted from luxurious, high-quality materials, our leather covers exude sophistication and strength. With a refined finish and classic color options, these covers bring a sense of timeless beauty and durability to your album—making it a true statement piece in any home.

MOONSTONE

The background image is a soft-focus photograph of a modern interior. In the foreground, a thick, light-colored book with a photograph of a sleeping baby on its cover lies flat. Behind it, a stack of three more books is visible. To the right of the books is a white, rounded ceramic vase containing several stalks of dried, feathery grasses. The entire scene is set on a light-colored, textured surface, possibly a bed or a coffee table, with a white knitted blanket visible in the bottom right corner. The overall color palette is warm and neutral, with soft lighting.

# *Modern Art Books*

Designed to be a statement piece, a coffee table book that doesn't just sit idly but engages every onlooker in a visual conversation. It's a centerpiece meant to be displayed prominently and enjoyed regularly.

# COVER OPTIONS

## *Photo Wrapped*

Available with a custom or acrylic slipcase, this show-stopping coffee table book is designed to be seen and enjoyed year round.

A person's hands are holding a tablet computer. The tablet screen shows a nursery room with a crib, a changing table, and a wall decorated with several framed photographs. A chandelier hangs from the ceiling. The text 'Custom Framing' is overlaid in a large, white, cursive font on the tablet screen.

# Custom Framing

Adorn your walls with exquisite framed memories. Each portrait is beautifully framed with a white mat and includes a wire for easy hanging. Our frames feature lightweight, shatterproof acrylic glass, providing a safe and elegant option for your home. Your framed portraits will arrive ready to hang and enjoy.

*Solid wood frames are offered in several different finishes -  
below are the most popular selections*
