

THE CATHEDRAL

EXPERT EXECUTION

\$1750

You're the girl who has been planning her wedding since she could act it out with her doll collection. A capable bride, a girl with a plan, and you know what you want! Fortunately, you also have realistic expectations of the planning process and the amount of effort required to pull off a seamless wedding event. That's where we come in. RAW Presents vows to execute your wedding the way you've envisioned and planned it to be so when the day finally arrives you can be the bride, not the planner, you've always dreamed of being. Our partial planning service package is designed for the couple who has the flexibility within their schedules to plan parts of their wedding but would like some guidance throughout the process and help prioritizing tasks while planning. You can book at any time throughout your planning process. It is never too late.
