About Jamie

Jamie is a registered dietitian, virtual nutrition coach, and influencer who has a significant presence in the bariatric community. Jamie is the owner of The Sleeved Dietitian, a brand that bridges the gap between bariatric professionals and patients. Jamie helps bariatric patients take the guidelines given to them by their surgeons and implement them in a sustainable way for long term results.

Brand Collaborations & Opportunities

As both a Registered Dietitian and a weight loss surgery patient herself, Jamie is a well known and respected influencer and advocate for the bariatric community.
