## MEET BROOKE

---

I'm Brooke, the owner & lead photographer of BTP. I love being able to share in the love of two individuals & feel blessed to get to work with such wonderful people each day!

Based out of Los Angeles, CA, I've been photographing weddings for over ten years now.

In 2009, I had the privilege of photographing my first engagement session for my sister and now brother-in-law! The experience was nothing short of magical; witnessing their love through my lens ignited a spark that made me realize photography was more than a hobby - it was my calling.

Since then, I've had the honor of documenting countless love stories - each one unique and special.
