

The New Drug Trend of "Dabbing" and The Use of E-Cigarettes in the Drug World

The session will cover the sweeping trends of marijuana concentrates also known as "Dabbing". Marijuana concentrates are sweeping the country and quickly becoming one of the most popular trends in the Marijuana world. The high THC content and the different looks of Marijuana concentrates are the major contributors to this rapidly evolving trend.

Objectives

Attendees will learn how to identify concentrates/wax, including: 1.) the different forms of concentrates including wax, butter, shatter, and oil, 2.) the reasons behind the increasing popularity, 3.) the high THC content, 4.) signs and symptoms of use, 5.) and the new paraphernalia, including "e-cigs". Also, the session will cover the evolving look of marijuana edibles and a behind the scenes look inside of the dispensaries and events where these items are sold and promoted. Finally, attendees will learn new drug logos, terms and identifiers and their relevance is in the world of marijuana concentrates. This presentation will provide over 50 visual aids and detailed photos of the various types of waxes, edibles, e-devices and paraphernalia.
