HELLO, MY NAME IS TAYLA

I am a wedding photographer based in Melbourne, Australia.

My focus is on capturing genuine, natural moments, allowing you to create lasting memories with your loved ones.

Every love story is unique, which means capturing more than just the perfected poses. I'm all about the raw and natural moments of the day, whether that is your parents getting all teary-eyed or your guests tearing up the dance floor. I truly believe your wedding day is about spending quality time with not only your partner but your guests too.

Once you're booked in, I'll help you with your day in any way I can whether that's vendor recommendations or suggested timeline depending on your day.

I can't wait to capture your love story!

FAQS

WHERE ARE YOU BASED?

I'm based in beautiful Melbourne, Victoria, but I love to travel and will happily fly anywhere to document your love.

WHAT IS YOUR PHOTOGRAPHY STYLE?

Moments captured with an editorial eye sums up my signature style. My experience in fashion and editorial photography shines through my work.

WHAT IS YOUR APPROACH TO THE DAY?

I'm here to capture the loved up, heartfelt moments, epic dance moves and everything else that's part of your day! You absolutely deserve to have your wedding documented authentically, that captures as many laughs as humanly possible and precious details for you to cherish for the rest of your life.

HOW MANY PHOTOS WILL WE RECEIVE?

You will receive approximately 500+ carefully edited photos, depending on your chosen coverage. For intimate weddings or elopements you will receive 150+ and for engagement shoots it's approximately 100.

HOW WILL I RECEIVE MY PHOTOS?

In the week following your wedding, you will receive 3-5 preview photos (if included in your package), offering a sneak peek into the collection to come. Eight weeks later, your complete wedding gallery will be delivered—a perfect occasion to cozy up with a glass of wine and relive the joy of your special day. Your online gallery provides the convenience of downloading all images in both high and web resolution. As part of your package, you'll also enjoy 2-years of cloud storage to securely preserve your wedding images, with the option to extend as needed.

WHY DOES IT TAKE SO LONG TO RECEIVE OUR PHOTOS?

I dedicate a lot of time to professionally edit all your images, ensuring each one reaches a high quality standard before delivery. This process contributes to the slight duration of the delivery timeline. If you would like to receive your images sooner, feel free to discuss the express gallery service with me.

CAN I PRINT MY PHOTOS?

Photos truly come to life when printed, and I encourage you to do so. Order prints conveniently through your personalised online gallery or a reputable print shop. Opt for good ink on high-quality paper for lasting results.

DO YOU PHOTOGRAPH SAME-SEX WEDDINGS?

A thousand times YES! No matter how you identify or define your relationship, I'm always honoured to be a part of a couple's wedding day.

DO YOU PHOTOGRAPH INTERNATIONALLY?

Absolutely. If you're considering a destination wedding, let me know and I'll create a tailored proposal for you.

DO YOU PHOTOGRAPH ELOPEMENTS?

If you and your partner are considering an intimate celebration with just your closest loved ones, I would be honoured to capture your event. Review my elopement packages, starting with 4 hours of coverage.

HOW TO BOOK

Taking on only a limited number of weddings each year, I recommend reaching out soon to ensure availability on your date.

If this sounds like what you're looking for in terms of style, approach, and budget, we can set up a time to chat. This meeting, whether in person or via Zoom, will be our opportunity to discuss your wedding.

To secure your wedding date, a \$500 non-refundable booking fee and a signed contract are required.

Please be aware, your date is confirmed only upon receipt of your deposit payment.

Looking forward to meeting you,

Tayla x
