

our comprehensive PRICING GUIDE

these prices are for base stationery pieces and do not include labor and material additions such as upgraded paper types, custom shaping, foil adhesive, envelope liners, ribbons & twines, wax seals, vellum, colored envelopes, etc. **we charge \$50 per hour for stationery labor, including our guest addressing & mailing services.** additional materials will be billed at cost - we do not upcharge for sourced materials.

some of our offerings, such as small & large day-of signage, are not listed by price in our guide and can be discussed during the consultation and proposal process. if you can dream it, we can design it for you!

investment ranges vary greatly based on the quantity of stationery pieces, sizing, upgrades, and more. the chart below reflects the average amount spent on a project with 100 invitations. for a more accurate calculation for your wedding, please reference the in-depth guide on the next page. this is the chart we reference when calculating quotes for our clients.

*miscellaneous cards include accomodations, directions, and registry-type cards. any kind of information you'd like included can be on these cards. place cards can be either folded down the middle or laid flat.

our standard paper is a 120 double-thick supersmooth cardstock by mohawk papers. we can also offer a 130 single-thick linen cardstock by mohawk papers. additional papers with thinner or thicker weights, glitter shimmers, or color can be sourced at cost to the client. paper options can be discussed during the consultation process.

each project includes return addressed white envelopes for your invitations and rsvp cards at no extra cost. clients who desire colored envelopes or envelopes meant for liners can have them sourced at cost.
