## ABOUT CHANEY WIDMER

### Founder of Mix & Match Design Company

After many years of writing a design blog, and helping friends and family put together homes they loved, founder Chaney Widmer decided it was time to jump head first into launching her own online interior design business in 2015. She wants to take the intimidation out of interior design – whether you're starting from scratch on a brand new home or redesigning a room that's ready for an update, she's ready to help!

Chaney and her family live in Richmond, Virginia, which they like to call their "forever city" after moving up and down the east coast for the last 10 years. In her free time, Chaney loves to explore Richmond, run (often with a jogging stroller these days!), and dig into a good novel. She also has a deep love for her Auburn Tigers and the Washington Nationals.
