Walters Wedding Estates Honors Military Couples with Weddings for Warriors, Wedding Giveaway

Multiple Locations, Texas – Walters Wedding Estates announces **Weddings for Warriors** – a special wedding giveaway for military couples planning to get married or renew their vows. To honor the brave men and women that serve our country, they are committed to giving away one wedding per year at each of the reception halls they own – adding up to over \$250,000 that Walters Wedding Estates will give back this year alone. This year's Weddings for Warriors prize includes a Sunday – Friday Evening Venue Rental in January, February, or August 2021 and in-house catering and bar package for up to 200 people.

The nomination period for 2020 runs from January 1, 2020 – June 30, 2020. Couples can nominate themselves or be nominated by a loved one. At least one partner must be serving or must be a qualified veteran of any branch of the US Military and can provide proper identification.

A portion of the proceeds from every event booking goes towards Weddings for Warriors and making the dream come true with a free wedding for a deserving couple.
