WELCOME

WELCOME: We're so glad you're here! This guide is designed to give you a clear, honest look at who we are, how we work, what our packages include, and what you can expect if you choose **The Duo Weddings**. We believe informed couples make the best decisions—no pressure, no surprises.

WHO WE ARE: We're a wedding photo and video team based in Kennesaw, GA, both with Bachelor of Science degrees in Film and over a decade of experience working with cameras. We bring professional expertise and an artistic eye to every wedding, capturing your day with intention whether you're in Atlanta, Marietta, Roswell, or anywhere in the U.S.

MEET THE DUO

Zack

Owner

Zack is the cinematic eye of the team—focused on movement, composition, and capturing the best-looking shots that tell your story beautifully.

Shavonne

Owner

Shavonne is the storytelling and directing eye behind The Duo Weddings. She loves guiding couples, shaping moments, and making sure the story of the day unfolds naturally and meaningfully.

Zack and Shavonne are formally film-trained, each holding a **Bachelor of Science degree**, with experience working on professional film sets. Together, they bring a perfect blend of storytelling and a sharp eye for beautiful, cinematic shots. That background means your wedding is approached with intention, professionalism, and care—treated as a meaningful production, not just an event.

OUR STYLE

Our photography style is rooted in storytelling with a cinematic eye. We focus on capturing real moments as they unfold, while intentionally composing images that feel thoughtful and elevated. Our edits are true-to-color, clean, and timeless, so your photos look natural and honest- something you can look back on years from now and still feel connected to every moment of your day.

Our video style is cinematic, story-driven, and full of life. We focus on telling your story in a fun and meaningful way, weaving together real moments with intentional visuals. Each film is thoughtfully edited to music that reflects your style and what matters to you, creating an emotional, immersive experience. All of our films are delivered in high-quality 4K, so your wedding day is preserved with clarity, depth, and lasting quality.

FAQ

How long will my wedding photos and film be delivered?

Photos & Film are typically delivered within 6–8 weeks. All final files are delivered digitally through an online gallery for easy viewing, downloading, and sharing.

Will you direct us during photos and video?

Yes - when needed. We provide gentle guidance and direction so you feel comfortable and confident, while still allowing real, candid moments to happen naturally.

We're awkward in front of the camera... will you help us?

Yes, 100%. Most of our couples say this! We'll guide you gently, give clear direction when needed, and help you feel comfortable so nothing feels forced or unnatural.

Do we need to know how to pose?

Not at all. We'll direct you in a way that feels natural and fun, while still making everything look beautiful and authentic.

8 Minute Complete Wedding Film + 2 songs of your choosing

Do you work well with our planner and other vendors?

Yes! We love working as part of a team and coordinating smoothly with planners and other vendors. In fact, we have a preferred vendor page on our website.

THANK YOU!

Thank you for taking the time to get to know us and our approach. Choosing your photo and video team is a big decision, and we're honored to be considered. If our style, values, and approach feel like the right fit, we'd love to walk alongside you on your wedding day and capture it with care, intention, and heart.

If you're ready, the next step is simple - reach out with any questions or to officially reserve your date. We're here to help every step of the way. - The Duo
