## PHOTOGRAPHY

*welcome!*

Thank you so much for your interest in having me a part of your wedding day. I'm excited you're here!

I'm an Award-winning and published photographer based in Central Florida specializing in traditional and timeless portraiture. My editing style is bright and natural. I'm a wife and a new mom to a sweet baby boy named Crue. My husband and I got married in 2021 and I understand what it feels like to be a bride ( all the ups and downs that accompany planning a wedding). With almost 10 years of wedding photography experience and being a bride myself, I intend to bring you peace and joy through the art of documenting your wedding. The level of care I put into my photography and the connection I cultivate with my couples is unmatched. If you are looking for a friendly, kind, and organized photographer who will gently direct you and your loved ones in posing I am your gal.

Congratulations, and I can't wait to chat about your wedding photography!

Warmly, Erika Grace

We recently had the pleasure of working with Erika Grace Photography for our wedding, and we couldn't be happier with the entire experience. From the moment we met Erika, we knew we were in great hands. Her warm and friendly demeanor immediately put us at ease, and her passion for her craft was evident right from the start.

One of the things that impressed us the most about Erika was her professionalism and attention to detail. She was highly organized and made sure she knew exactly what shots we wanted to have. On the wedding day, she and her second shooter, Angela, seamlessly moved around, capturing every significant moment without being intrusive. They both had an incredible eye for composition and lighting, resulting in photographs that were not only beautiful but also artistic. Erika's upbeat personality made the entire experience even more enjoyable. She was a joy to work with, always making us feel comfortable and relaxed in front of the camera. Her positive energy was contagious, and it added an extra layer of fun to the day. She truly made us feel like we were working with a friend rather than just a photographer. When we received our wedding photos, we were blown away.

Erika's talent for capturing emotion and creating timeless images truly shone through. Every picture was a masterpiece, and we were able to relive every precious moment through her work. The attention to detail, vibrant colors, and clarity of the photos surpassed our expectations. We highly recommend Erika Grace Photography to anyone in need of a wedding photographer. Erika is not only a talented and skilled photographer but also a wonderful person to have by your side on your special day. Her passion for her work, friendly nature, and ability to capture the essence of love make her an exceptional choice. Trust us, you won't be disappointed! Thank you, Erika, for making our wedding day even more memorable. Your talent and dedication are truly remarkable, and we are forever grateful for the beautiful photographs we will cherish for a lifetime.

"My husband and I couldn't be happier that we found Erika for our engagement and wedding photos! She brings a cheerful and calming energy to your session that makes you feel comfortable and relaxed- which really shines through in your photos! Even our wedding party and family commented on how much they loved Erika when we were taking photos! She is extremely talented in what she does and can offer a bunch of helpful tips. On the day of our wedding, I didn't have to think if we were getting all the photos we wanted, I could trust Erika to direct us and capture every moment!"
