

## Recommendation Letter

June 19, 2020

**To whom it may concern,**

Guangzhou Chimelong group would like to certify that Ms. Nadia Riley representing Hazkoba, has developed a concept design for gorilla enclosure at Chimelong Safari Park, China.

The project fulfilled all the necessary aspects of animal welfare and necessary flexibility to house a group of gorillas. The quality of work and design has been very satisfactory and the concept design was accepted by the gorilla EEP with no changes or amends.

Therefore we recommend Ms. Nadia Riley as a zoo designer that represents a high standard of architecture and design, efficient and prompt in the production of commissioned work and with grand knowledge of her work.

Yours sincerely,

Regards,

Dong Guixin

Vice President
