_____

Contact Name: _____

Phone Number: _____

Email: _____

Mailing Address: _____

Guidelines: Due to the multitude of lines we carry, we have procedures in place for streamlining ordering and communication.

* Typically, we purchase items outright, but occasionally we will discuss commission-based purchases.

* We highly recommend determining costs in advance. Consider factors like material costs, time invested, and desired profit.

* Mitchell's will contact you if we are low on product and wish to place an order.

* If you have a question or are curious about stock, the best way to contact us is to email mitchellhardwarenb@gmail.com

* We will provide a check in person for the initial order but will mail checks for all other purchases, within thirty days.
